Actually, control questions vary depending on the type of test administered. The most common type of polygraph test is the Control Question Test (CQT) in which control questions are composed so the subject can answer them honestly, (as the first poster stated) however, the examiner will often make the questions a bit more provocative to evoke an emotional response (as the poster above me has ...

what is a control question ? | Yahoo Answers

The common law control test is the basic test, using the common law rules, for determining whether a relationship exists between the worker and the person or firm that they work for. Under the common-law test, the employer has the right to tell the employee what to do, how, when, and where to do the job.

Course: Applying Common Law Control Test for Employer ...

Control testing has typically been run out of a bank's internal audit group, the Sarbanes-Oxley compliance team, a centralized control testing unit, or all of the above. Rarely has it been coordinated with real-time business risk assessments. In the case of the Audit Department, the Chief
