With all the qualities that P. D. James's readers have come to expect: a masterly psychological and emotional richness of characterization, a vivid evocation of place and a credible and exciting mystery. When the notorious investigative journalist, Rhoda Gradwyn, books into Mr. Chandler-Powell's private clinic in Dorset for the removal of a disfiguring, long-standing facial scar, she has every prospect of a successful operation by a distinguished surgeon, a week's peaceful convalescence in one of Dorset's most beautiful manor houses and the beginning of a new life. She will never leave Cheverell Manor alive. When Adam Dalgliesh and his team are called in to investigate the murder - and a second death occurs - even more complicated problems than the question of innocence or guilt arise.

The second book to feature Scotland Yard investigator Adam Dalgliesh, A Mind To Murder is a "superbly satisfying mystery" (Chicago Daily News) from bestselling author P.D. James. On the surface, the Steen Psychiatric Clinic is one of the most reputable institutions in London. But when the administrative head is found dead with a chisel in her heart, that distinguished facade begins to crumble as the truth emerges. Superintendent Adam Dalgliesh of Scotland Yard is called in to investigate and quickly finds himself caught in a whirlwind of psychiatry, drugs, and deceit. Now he must analyze the deep-seated anxieties and thwarted desires of patients and staff alike to determine which of their unresolved conflicts has resulted in murder and stop a cunning killer before the next blow.

An Unsuitable Job for a Woman introduces bestselling mystery author P.D. James's courageous but vulnerable young detective, Cordelia Gray, in a "top-rated puzzle of peril that holds you all the way" (The New York Times). Handsome Cambridge dropout Mark Callender died hanging by the neck with a faint trace of lipstick on his mouth. When the official verdict is suicide, his wealthy father hires fledgling private investigator Cordelia Gray to find out what led him to self-destruction. What she discovers instead is a twisting trail of secrets and sins, and the strong scent of murder.

The third installment in the classic Adam Dalgliesh mystery series, Unnatural Causes is another must-read page-turner from bestselling author P.D. James, "the reigning mistress of murder" (Time). Maurice Seton was a famous mystery writer—but no murder he ever invented was more grisly than his own death. When his corpse is found in a drifting dinghy with both hands chopped off at the wrists, ripples of horror spread among his bizarre circle of friends. Now it's up to brilliant Scotland Yard inspector, Adam Dalgliesh, and his extraordinary aunt to uncover the shocking truth behind the writer's death sentence, before the plot takes another murderous turn. Unnatural Causes inspired Cosmopolitan to fervently hope, "if we're lucky, there will always be an England and there will always be a P.D. James."

From P.D. James, one of the masters of British crime fiction comes the second novel to feature the famous female detective Cordelia Gray of the Pryde Detective Agency. Set on the sinister Courcy Island, An Unsuitable Job for a Woman is a thrilling murder mystery. Clarissa Lisle hopes to make a spectacular comeback in a production of The Duchess of Malfi, to be played in Ambrose Gorrings's sinister castle at Courcy Island. Cordelia is there to ensure her safety following the appearance of a number of poison-pen letters. But it soon becomes clear that all are in danger. Trapped within the walls of the Gothic castle, the treacherous past of the island re-emerges, and everyone seems to have a motive for sending Clarissa 'down, down to hell'. Marking the return of the private detective Cordelia Gray, The Skull beneath the Skin is the sequel to An Unsuitable Job for a Woman. P.D. James is Britain's pre-eminent crime writer and the author of many bestselling titles including Death Comes To Pemberley, Children of Men and Death in Holy Orders.

On the day she turned seventy-seven, internationally acclaimed mystery writer P. D. James embarked on an endeavor unlike any other in her distinguished career: she decided to write a personal memoir in the form of a diary. Over the course of a year she set down not only the events and impressions of her extraordinarily active life, but also the memories, joys, discoveries, and crises of a lifetime. This enchantingly original volume is the result. Time to Be in Earnest offers an intimate portrait of one of most accomplished women of our time. Here are vivid, revealing accounts of her school days in Cambridge in the 1920s and '30s, her happy marriage and the tragedy of her husband's mental illness, and the thrill of publishing her first novel, Cover Her Face, in 1962. As she recounts the decades of her exceptional life, James holds forth with wit and candor on such diverse subjects as the evolution of the detective novel, her deep love of the English countryside, her views of author tours and television adaptations, and her life-long obsession with Jane Austen. Wise and frank, engaging and graceful, this "fragment of autobiography" will delight and surprise P. D. James's admirers the world over.
