This is the essence of writing a critical response; thus your task for writing a critical response will include interpretation of a literary work (a short story, a poem, an essay, etc.) or a work of art in general (a painting, a movie, a play) and its evaluation from your point of view. The phrase “critical response” may be confusing.

Reading Critically for a Literature Review (5 Considerations)
The literature review is an essential part of any thesis or dissertation, providing valuable background information related to your work and demonstrating your understanding of the subject. But writing a good literature review requires more than simply listing and summarising other studies; you need to engage with them critically, considering how they relate to your own work.
