~~Cruising Paradise Sam Shepard~~

"'Cruising Paradise', a captivating collection of 40 micro-stories, brooding monologues and eerie dialogues, features a motley cast of loners, losers, introverts and tough guys caught in crisis. Written over a span of six years, these inimitable 'swiftly told-tales', as Sam Shepard's publisher describes them, are a brilliant fiction debut by the Pulitzer-Prize winning playwright."

This startlingly strong collection is by the actor, director, playwright, and screenwriter Sam Shepard. His voice is distinctive, its tone tough, unrepentant, but also reflective and hugely empathetic. This is outsider art at its very best. I've just finished reading it for the second time after a gap of 18 years.

Playwright and actor Shepard's (Motel Chronicles, 1983, etc.) first fiction explores many of the same themes as his best plays: the relations of fathers and sons, the transition to manhood, the lure of the open road, the endless skies out west, loneliness, and the silences that punctuate everyday life. In 40 short tales, Shepard relies on a sun-puckered, angular style that suits his western landscapes.

## Reviews

Cruising Paradise with Sam Shepard. by Michael Corrigan | May 12, 2015 | Creative Nonfiction | 0. In 1979, Sam Shepard received the Pulitzer Prize for his dark drama, Buried Child, and in 1984, he earned an Oscar nomination for his portrayal of Chuck Yeager in The Right Stuff. In 1980, one of Shepard's most popular "dysfunctional family" plays, True West, opened to acclaim; after three decades, it is often revived.

His first major book of fiction: lyrical, personal, mythical, hilarious and mesmeric stories that shed new light on both the US and the writer through whose eyes we access this compelling and resonant land.

A Vintage Shorts "Short Story Month"

Selection The ride to the tiny village in Mexico where he's due to film has not been easy. The actor has to first put up with Gunther, a maniac German driver in a tuxedo, the Narcos who insist on excavating the contents of their car, the customs official in Mexico who sends him back across the border, and an embittered woman in the Mexican consulate for whom he must play Spencer Tracy. From the Pulitzer Prize-winner, "the greatest playwright of our generation," director, prose-stylist, musician, and actor Sam Shepard—"Spencer Tracy Is not Dead," selected from Cruising Paradise, is a gleaming testament to Shepard's mastery and a tender portrait of American masculinity on the road. An ebook short.

"From the Trade Paperback edition.

Shepard's novel "opens with a man in his house at dawn, surrounded by aspens, coyotes cackling in the distance as he quietly navigates the distance between present and past. More and more, memory is overtaking him: in his mind he sees himself in a movie-set trailer, his young face staring back at him in a mirror surrounded by light bulbs. In his dreams and in visions he sees his late father--sometimes in miniature, sometimes flying planes, sometimes at war. By turns, he sees the bygone America of his childhood: the farmland and the feedlots, the rail yards and

the diners--and, most hauntingly, his father's young girlfriend, with whom he also became involved, setting into motion a tragedy that has stayed with him"--

Motel Chronicles reveals the fast-moving and sometimes surprising world of the man behind the plays that have made Sam Shepard a living legend in the theater. Shepard chronicles his own life birth in Illinois, childhood memories of Guam, Pasadena and rural Southern California, adventures as ranch hand, waiter, rock musician, dramatist and film actor. Scenes from this book form the basis of his play Superstitions, and of the film (directed by Wim Wenders) Paris, Texas, winner of the Golden Palm Award at the 1984 Cannes Film Festival. ". . . essential reading. A scrapbook of short stories, autobiographical reveries, poetry and photographs, Motel Chronicles is full of verbal delights, as well as insights into its author's entire canon. Whether Mr. Shepard is reminiscing about his parents or daydreaming about cherished movies and cars of his youth, he speaks in pungent and ethereal language that remakes our West. Read in conjunction with the plays, Motel Chronicles also helps demystify the origins of Mr. Shepard's psychological obsessions and desolate frontier iconography."—Frank Rich, New York Times "If plays were put in time capsules, future generations would get a sharp-toothed profile of life in the U.S. in the past

decade and half from the works of Sam Shepard."—Time "Sam Shepard is a shaman—a New World shaman. Sam is as American as peyote, magic mushrooms, Rock and Roll, and medicine bundles."—Jack Gelber Sam Shepard (1943) is a playwright, actor, author, screen writer and director whose work is performed on and off Broadway and in other theaters across the country. In 1979, he received the Pulitzer Prize for Drama for his play Buried Child. In 1983, he was nominated for an Academy Award for Best Supporting Actor in The Right Stuff. His other famous works include True West, A Lie of the Mind and Curse of the Starving Class. Fool For Love & the Sad Lament of Pecos Bill by Sam Shepard was also published by City Lights Publishers.

In eighteen stories unlike any in our contemporary literature, Sam Shepard explores the vast and rugged American West with the same parched intensity that has made him "the great playwright of his generation" (The New York Times). A boy watches a "remedy man" tame a wild stallion, a contest that mirrors his own struggle with his father. A woman driving her mother's ashes across the country has a strangely transcendent run-in with an injured hawk. Two aging widowers, in Stetsons and bolo ties, together make a daily pilgrimage to the local Denny's, only to be divided by the attentions of their favorite waitress. Peering unblinkingly into the chasms that separate fathers and sons,

husbands and wives, friends and strangers, these powerful tales bear the unmistakable signature of an American master.

From one of our most admired writers: a collection of stories set mainly in the fertile imaginative landscape of the American West, written with the terse lyricism, cinematic detail, and wry humor that have become Sam Shepard's trademarks. A man traveling down Highway 90 West gets trapped alone overnight inside a Cracker Barrel restaurant, where he is tormented by an endless loop of Shania Twain songs on the overhead sound system. A wandering actor returns to his hometown against his better instincts and runs into an old friend, who recounts their teenage days of stealing cars, scoring Benzedrine, and sleeping with whores in Tijuana. A Minnesota family travels south for a winter vacation but, caught up in the ordinary tyrannies of family life, remains oblivious to the beauty of the Yucatán Peninsula. A solitary horse rancher muses on Sitting Bull and Beckett amid the jumble of stuff in his big country kitchen—from rusted spurs and Lakota dream-catchers to yellowing pictures of hawks and galloping horses to “snapshots of different sons in different shirts doing different things like fishing, riding mules and tractors; leaning up against their different mothers at radical angles.” Made up of short narratives, lyrics, and dialogues, *Day out of Days* sets conversation

## Read PDF Cruising Paradise Sam Shepard

against tale, song against memory, in a cubistic counterpoint that finally links each piece together. The result is a stunning work of vision and clarity imbued with the vivid reverberations of myth—Shepard at his flinty-eyed, unwavering best.

The final work from the Pulitzer Prize-winning writer, actor, and musician, drawn from his transformative last days In searing, beautiful prose, Sam Shepard's extraordinary narrative leaps off the page with its immediacy and power. It tells in a brilliant braid of voices the story of an unnamed narrator who traces, before our rapt eyes, his memories of work, adventure, and travel as he undergoes medical tests and treatments for a condition that is rendering him more and more dependent on the loved ones who are caring for him. The narrator's memories and preoccupations often echo those of our current moment--for here are stories of immigration and community, inclusion and exclusion, suspicion and trust. But at the book's core, and his, is family--his relationships with those he loved, and with the natural world around him. Vivid, haunting, and deeply moving, *Spy of the First Person* takes us from the sculpted gardens of a renowned clinic in Arizona to the blue waters surrounding Alcatraz, from a New Mexico border town to a condemned building on New York City's Avenue C. It is an unflinching expression of the vulnerabilities

that make us human--and an unbound celebration of family and life.

Autumn, 1975: The Rolling Thunder Revue - a rag-tag variety show, a travelling gypsy circus - swept across the Northeast US. Bob Dylan helmed the chaotic caravan, gathering a host of stars in his wake: Joan Baez, Roger McGuinn, Ramblin' Jack Elliott, T-Bone Burnett, Joni Mitchell and others. The Pulitzer-Prize winning playwright Sam Shepard was invited to write a Fellini-esque film out of the chaos. Throughout the many moods and moments of his travels he kept an impressionistic logbook of life on the road, replete with poetry, sketches and intimate accounts: This is that logbook. Updated with a myriad of candid photographs - many never before published - a foreword by T-Bone Burnett and a poetical preface from Sam Shepard, *The Rolling Thunder Logbook* perfectly captures the camaraderie, isolation, head games and pill-popping mayhem of the tour, providing a window into Dylan's singular talent, enigmatic charisma, and vision of America. "The Rolling Thunder Revue was more fun than the law allows. By a long shot. It was a bus full of musicians and singers and painters hurtling through the dead of night, making a movie, writing songs, and playing some of the most incendiary, intense, and inspired rock 'n' roll, before or since." T-Bone Burnett
