competence at the expense of embedding it into their daily practice.

In addition to this, there is the view that cultural competence promotes

‘othering’ by assuming that social workers will be from the dominant or majority culture (Sakamoto, 2007).

Tips for social workers

Download Free Cultural

on cultural competence
Cultural competence is, ultimately, about valuing diversity for the richness and creativity it brings to society. We introduce and explore the concepts from the standpoint of Aboriginal and Torres Strait Islander cultures as a first step. The program will be expanded to fully embrace the cultural diversity of the
