Past studies of medieval Portugal have focused on such specific themes as political or administrative history and voyages of discovery. Oliveira Marques, however, has captured the vast spectrum of Portuguese daily life from the twelfth through the fifteenth centuries. The whole of medieval society is depicted, both on a national scale and, more important, society as it affected the individual in his everyday activities. Oliveira Marques gives us an engaging and original social history which examines customary meals,

The United States Civil War touched the lives of every American North and South at that time. This informative book makes extensive use of journals, newspapers, and diaries to bring together the experience of the soldier, civilian, and slave in one volume. What the soldiers ate, how they lived, and what they did for entertainment are discussed in detail. The experiences of Billy Yank and Johnny Reb are contrasted with activities on the homefront to bring this turbulent era alive for students, teachers, and Civil War buffs.

In 1585, at the height of Jesuit missionary activity in Japan, which was begun by Francis Xavier in 1549, Luis Frois, a long-time missionary in Japan, drafted the earliest systematic

comparison of Western and Japanese cultures. This book constitutes the first critical English-language edition of the 1585 work, the original of which was discovered in the Royal Academy of History in Madrid after the Second World War. The book provides a translation of the text, which is not a continuous narrative, but rather more than 600 distichs or brief couplets on subjects such as gender, child rearing, religion, medicine, eating, horses, writing, ships and seafaring, architecture, and music and drama. In addition, the book includes a substantive introduction and other editorial material to explain the background and also to make comparisons with present-day Japanese life. Overall, the book represents an important primary source for understanding a particularly challenging period of history
