A Day in the Life of Americans. This is how America runs. By Nathan Yau. From two angles so far, we 've seen how Americans spend their days, but the views are wideout and limited in what you can see. I can tell you that about 40 percent of people age 25 to 34 are working on an average day at three in the afternoon. I can tell you similar ...

Another difference regarding the daily life of Germans and Americans is how they deal with the environment. First of all, American cars are bigger than the German ones. Many people drive SUVs or trucks. Of course, they need more gas than smaller cars. This does not bother Americans that much, as gas is much less expensive than in Germany.
