Darkness Savage. The Dark Cycle, Book 3. By: ... In this thrilling final installment of the Dark Cycle series, will Aidan find the help he needs to release the world from Darkness's grip? Or will he lose everything he's been desperately trying to save, including his soul?

The fate of humanity hangs in the balance as Aidan faces a crushing choice: give in to the demands of the forces of Darkness in order to save his sister, Ava, or fight on the side of good and risk losing her forever. With so much at stake and so little time, Aidan rushes to finish assembling a team of Lights, other teens whose special abilities are linked to his own. Meanwhile, Rebecca discovers that she's more than just a normal teen and that the power awakening inside her may be stronger than she ever could have imagined. As the city plunges into chaos and Aidan doubts his plan of attack, Rebecca's newfound gift may tip the scale in the wrong direction. In this thrilling final installment of the Dark Cycle series, will Aidan find the help he needs to release the world from Darkness's grip? Or will he lose everything he's been desperately trying to save, including his soul?

Aidan O Linn's childhood ended the night he saw a demon kill his mother and mark his sister, Ava, with Darkness. Since then, every three years the demons have returned to try to claim her. Living in the gritty, forgotten corners of Los Angeles, Aidan has managed to protect his sister, but he knows that even his powers to fight demons and speak dead languages won't keep her safe for much longer. In desperation, Aidan seeks out the help of Sid, the enigmatic leader of a group of teens who run LA Paranormal, an Internet reality show that fights demons and ghosts. In their company, Aidan believes he's finally found a haven for Ava. But when he meets Kara, a broken girl who can spin a hypnotic web of passionate energy, he awakens powers he didn't know he had—and unleashes a new era of war between the forces of Light and the forces of Darkness. With the fate of humanity in his hands, can Aidan keep the Darkness at bay and accept his brilliant, terrifying destiny?"

In Hollywood's underworld of demigods, druids, and ancient bonds, one girl has a dangerous future. Sage is eighteen, down on her luck, and struggling to survive on the streets of Los Angeles. Everything changes the night she's invited to a party—one that turns out to be a trap. Thrust into a magical world hidden within the City of Angels, Sage discovers that she's the daughter of a Celtic goddess, with powers that are only in their infancy. Now that she is of age, she's asked to pledge her service to one of the five deities, all keen on winning her favor by any means possible. She has to admit that she's tempted—especially when this new life comes with spells, Hollywood glam, and a bodyguard with secrets of his own. Not to mention a prince whose proposal could boost her rank in the Otherworld. As loyalties shift, and as the two men

vie for her attention, Sage tries to figure out whom to trust in a realm she doesn't understand. One thing is for sure: the trap she's in has bigger claws than she thought. And it's going to take a lot more than magic for this Celtic demigoddess to make it out alive.

Against the backdrop of an ancient battle between the forces of Light and the forces of Darkness, Aidan struggles to control the newly awakened and enigmatic powers that seem to be his only hope for rescuing Ava, his little sister, trapped somewhere beyond the Veil. As he gravitates to Kara, the beguiling and dangerously unstable girl who helped him realize his abilities, a terrible mistake of fate is revealed that points him back toward Rebecca, whose role is becoming more critical to the battle. And no matter what his heart wants, it might be too late to stop the pieces already in motion. Without knowing the sacrifices that will be required of them, Aidan and his motley crew of friends--each with their own role to play--must face the demon threat head-on. They're the only ones keeping the growing army of Darkness at bay, and if they fail, the future of humanity could be lost.

Rocavarancolia has proved its cruelty once again, but the gruesome city cannot defeat those chosen for the Harvest. Now magic is on their side and it's their turn to shine. But mysteries remain. What makes them so special to the Kingdom? And what is the significance of the Red Moon? The time has come for Hector and the rest of the children from Earth to leave the safety of their tower behind. It's time to get some answers--and no vampire, sorcerer, or creature can stop them. Meanwhile, an evil older than the Kingdom has awakened...

#1 New York Times Bestseller * An Amazon Best Book of the Year There's no such thing as safe in a city at war, a city overrun with monsters. In this dark urban fantasy from acclaimed author Victoria Schwab, a young woman and a young man must choose whether to become heroes or villains—and friends or enemies—with the future of their home at stake. The first of two books, *This Savage Song* is a must-have for fans of Holly Black, Maggie Stiefvater, and Laini Taylor. Kate Harker and August Flynn are the heirs to a divided city—a city where the violence has begun to breed actual monsters. All Kate wants is to be as ruthless as her father, who lets the monsters roam free and makes the humans pay for his protection. All August wants is to be human, as good-hearted as his own father, to play a bigger role in protecting the innocent—but he's one of the monsters. One who can steal a soul with a simple strain of music. When the chance arises to keep an eye on Kate, who's just been kicked out of her sixth boarding school and returned home, August jumps at it. But Kate discovers August's secret, and after a failed assassination attempt the pair must flee for their lives. In *This Savage Song*, Victoria Schwab creates a gritty, seething metropolis, one worthy of being compared to Gotham and to the four versions of London in her critically acclaimed fantasy for adults, *A Darker Shade of Magic*. Her heroes will face monsters intent on destroying them from every side—including the monsters within.

Golding's iconic 1954 novel, now with a new foreword by Lois Lowry, remains one of the greatest books ever written for young adults and an unforgettable classic for readers of any age. This edition includes a new *Suggestions for Further Reading* by Jennifer Buehler. At the dawn of the next world war, a plane crashes on an uncharted island, stranding a group of schoolboys. At first, with no adult supervision, their freedom is something to celebrate. This far from civilization they can do anything they want. Anything. But as order collapses, as strange howls echo in the night, as terror begins its reign, the hope of adventure seems as far removed from reality as the hope of being rescued.

"Freak. Witch. Crazy. Schizo. Ember Brycin has been called them all. She's always known she's different. No one has ever called her normal, even under the best circumstances. Bizarre and inexplicable things continually happen to her, and having two different colored eyes, strange hair, and an unusual tattoo only contributes to the gossip about her. When the latest school explosion lands her in a facility for trouble teens, she meets Eli Dragen, who's hot as hell and darkly mysterious. Their connection is full of passion, danger, and secrets. Secrets that will not only change her life, but what and who she is--leading her down a path she never imagined possible. Between Light and Dark, Ember finds a world where truth and knowledge are power and no one can be trusted. But her survival depends on finding out the truth about herself. In her pursuit, she is forced between love and destiny and good and evil, even when the differences between them aren't always clear. At worst, she will incite a war that could destroy both worlds. At best, she will not only lose her heart but her life and everyone she loves. Once the truth is out, however, there will be no going back. And she'll definitely wish she could."--Back cover.
