Although she is a dutiful daughter, Nefertiti's dancing abilities, remarkable beauty, and intelligence garner attention near and far, so much so that her family is summoned to the Egyptian royal court, where Nefertiti becomes a pawn in the power play of her scheming aunt, Queen Tiye.

In Iron Age Ireland, Maeve, the fierce, willful youngest daughter of King Eochu of Connacht, is caught in a web of lies after rebelling to avoid fosterage with another highborn family and an arranged marriage.

Still longing for adventure, Princess Helen of Sparta maintains her disguise as a boy to join her unsuspecting brothers as part of the crew of the Argo, the ship commanded by Prince Jason in his quest for the Golden Fleece.

In ancient Japan, Himiko the privileged daughter of her clan's leader, fights the constraints and expectations imposed on young women, and instead finds her own path which includes secret shaman lessons.

As Himiko traverses ancient Japan in order to free enslaved members of her clan, she encounters members of many other tribes and emerges as the leader who will unify them.

Ancient Egypt springs to life in this enthralling sequel to Sphinx ' s Princess. As she did in Nobody ' s Princess and Nobody ' s Prize, author Esther Friesner offers readers a fresh look at an iconic figure, blending historical fiction and mythology in a heady concoction. Hunted . . . Overnight, every aspect of Nefertiti ' s life has changed. She is no longer living at the royal palace as the intended bride of the crown prince. Instead, she is being chased by the prince and his soldiers for a crime she did not commit. Hidden . . . Traveling with two of her dearest friends, including the crown prince ' s brother, who helped her escape, Nefertiti takes shelter in the wild hills along the Nile ' s west bank. She must rely on her own resourcefulness and skills (all those secret archery lessons prove very useful) as the fugitives fight to survive. Haunted . . . But the need for justice gnaws at Nefertiti. She is determined to plead her case to the Pharaoh and set things right. As she begins to question long-held sacred beliefs—a questioning that could alter the fabric of Egyptian society—her extraordinary journey from commoner to royalty brings adventure, intrigue, and romance.

It's 1910, and thirteen-year-old Raisa has just traveled alone from a small Polish shtetl all the way to New York City. It's overwhelming, awe-inspiring, and even dangerous, especially when she discovers that her sister has disappeared and she must now fend for herself. She finds work in the Triangle Shirtwaist Factory sewing bodices on the popular shirtwaists. Raisa makes friends and even-dare she admit it?- falls in love. But then 1911 dawns, and one March day a spark ignites in the factory. One of the city's most harrowing tragedies unfolds, and Raisa's life is forever changed. . . . One hundred years after the Triangle Shirtwaist Factory Fire, this moving young adult novel gives life to the tragedy and hope of this transformative event in American history.

NALI By Esther Henry In an era of darkness, mystery, tropical jungles and cannibalism, Nali tries to buck the ancient traditions, only to find herself deeply entrenched in them. As a young girl full of dreams, she is given to a tribal elder in marriage and quickly learns that her girlhood dreams could be shattered overnight. The rain forest held a secret refuge that only Nali knew, where she took her dreams and her delusions. Will she be forced to succumb to a subservient role the rest of her life, or can she overcome the hopelessness that comes with isolation, ignorance and tradition? Deep in the heart of New Guinea lies the village of Mendoka, beautifully camouflaged from the rest of the world. Although the village has yet to be discovered, the outside world would soon have an influence on their lives. An interruption to their peaceful simplicity would both terrify them and cause them to search for answers. Readers will be able to follow the lives of those who lived in a much simpler time and become immersed in the culture that controlled their everyday existence.

Chicks In Chainmail

"Daddy, what is a white lie?" My father put down his spoon and looked at me thoughtfully. "Why'd you ask, Princess?" "I heard you talking yesterday and you said 'one more white lie isn't going to make a difference.' I just want to know what you meant." "You heard that, huh?" My father tilted his head to study me. "It's just a small lie you tell when you don't want to hurt someone's feelings. It's nothing for you to worry about." My eyes grew wide. "Like when you told Aunt Rena that her pie was good even though it tasted icky?" "Exactly." He smiled. "Or when you told the man last week that you hadn't seen Uncle Bruno and you had?" The Smile fell from his face and he straightened in his chair. "No, Princess, that was a different kind of lie." Scrunching up my nose, I asked, "What kind of lie was that?" My father swallowed hard before replying. "That's the kind of lie where you have to have a real good memory." As an inquisitive child, the woman known as Clarissa Solano, could never have imagined how significant those words would become. That she would spend years twisting the truth: hoping and praying that she would not contradict herself and expose the secrets she keeps locked inside. Most of the people in her life don't really know her at all. She forces them to swallow her lies, but she is the one who feels the bitter aftertaste of deception. When Lane Hunter sweeps into her life, she finds herself opening up in ways she never thought possible. He sees beyond the facade to the woman beneath and knows instantly that he wants her. However, all is not as it seems and when secrets and lies are exposed, it threatens to destroy them all. This is the first book in a series of standalone HEAs"
