Deep Well Submersible Motor  
Pumps - Byron Jackson SUBM.  
BRAND: Byron Jackson. The  
Byron Jackson SUBM is a deep  
well submersible pump with  
direct coupled oil filled  
submersible motors. Single  
or multistage design for  
continuous operation. Huge  
variety of hydraulics,  
materials, electrical  
layouts and options to  
ensure optimal selection for  
required service.

Deep Well Submersible Pumps  
Operating & Installation  
Instructions CAUTION: Before  
operating or installing this  
pump, read this manual and  
follow all Safety Rules and  
Operating Instructions

**INSPECT THE EQUIPMENT**

Inspect your pump when you  
receive it to make sure  
there is no damage during  
shipping. Pump's voltage  
must match your power line  
voltage! Or warranty is  
voided!
