"You don't have to accept the 'death sentence' offered by other medical systems," Dr. Morse has told thousands of patients over the years. Since 1972, he has directed a health clinic in Florida, successfully helping people cure themselves of cancer, diabetes, M.S., Crohn's disease, along with both brain and nerve damage. His "miracle" approach is fully detailed in this comprehensive book. The cause of illness is poison (acidosis), i.e., toxins from our food, water and air. No genuine healing can proceed in such a toxified environment. Morse's system is to treat the cause of illness, not the symptoms! The Detox Miracle Sourcebook shows you how to use raw foods and herbs as of the primary means of detoxification, healing, and ultimate regeneration of weak or diseased cells. This book is called a "sourcebook" because of the vast reference material it contains. The author presents a complete overview of every bodily system and every organ. He details the causes of "breakdown" in each system and recommends natural means - raw foods and herbs -- for cleansing, and then strengthening of each part. Comprehensive charts and tables specify the sources for and uses of vitamins, major minerals, trace minerals, cell salts, herbs, fruits and vegetables, essential oils, phytochemicals. His chapters on what to expect as you detoxify are especially valuable. Morse describes the natural "side effects" (from the mild to the extreme) of releasing toxins from the body. He explains in commonsense terms how to encourage

this "healing crisis" while at the same time maintaining overall balance in the body. He also offers dramatic accounts of how his own patients have healed themselves of chronic and acute conditions by using these methods. Two detox "miracle" diets are offered as the core of his natural cleansing system. He offers suggestions for the use of fresh juices, recipes for raw foods and a selection of cooked dishes that will gently ease even the timid into the process. Other outstanding features include: lists of the toxic chemicals commonly found in foods, air, water; a massive glossary of medical and nutritional terms; a Resource Guide for where and how to acquire healthy foods, oils, bodycare products, educational materials, etc.; an extensive Bibliography.

Author Johanna Brandt shares a personal journey of living with cancer and her discovery of how the beneficial properties of grapes cured her disease by refreshing and purifying cell structures. The virtues of naturopathy are extolled, and readers are encouraged to detoxify their bodies and prevent disease (namely cancer) through a combination of fasting and a diet of grapes.

After years of living with severe rheumatoid arthritis, Lyme disease, anxiety, and ulcers, Hilde Larsen finally decided she was done with hospitals, medications, and living a miserable existence. It was a choice that soon propelled her onto a lonely journey where she would courageously battle to not just overcome her physical challenges, but also to find her true purpose and a new beginning. As she leads others through her journey from a total loss of health and vitality back to the life of her dreams, Larsen details her downward spiral triggered by processed foods, recurrent ulcers and stomach issues, chronic pain, and ultimately the diagnoses of rheumatoid arthritis and Lyme disease. Still, as Larsen reveals, she determinedly held onto hope and a message from an inner-voice that she could be healed and made a life-

changing decision that would take her down a new path where she stopped the medications that masked her symptoms, transformed her diet, revisited and healed old wounds, and finally bid farewell to her old self and body. Through it all, Larsen demonstrates that even the greatest of challenges in life can be conquered with faith, perseverance, hope, and love. From HELL to Inspired chronicles one woman's incredible quest to free herself from an unhealthy existence, fulfill her dreams, and inspire others to take back their power.

Since its first publication, The Sunfood Diet Success System has been the definitive book on the raw food lifestyle. Now after more than seven years, David Wolfe has rigorously rewritten the entire book, beginning to end, in order to offer the most complete, up-to-date nutrition information possible. No where else will you find the kinds of empowering information and insight that is present on every page of this truly inspiring work. The Sunfood Diet Success System is a groundbreaking book in the field of raw-food nutrition. The book describes exactly how to adopt, maintain, and stay centered on an 80, 90, or 100% raw-food diet by balancing different types of foods through David Wolfe's innovative Sunfood Triangle. Success is inevitable with day-by-day menu plans, delicious recipes, and the best information available on detoxification, fasting, mineralization and success technology all neatly bundled into one book. Each chapter is filled with inspiring quotes, facts, and tips. Dozens of beautiful, never-before-seen full-color images have been added to this brand-new edition, including many stunning Kirlian photographs. The Sunfood Diet Success System also includes a comprehensive listing of raw-food restaurants, healing retreats, and organizations. Be prepared for nothing less than total transformation!

healthy? What makes losing weight so difficult? These and many other vital questions are addressed in *12 Steps to Raw Foods* in an open and sincere dialogue. Based on the latest scientific research, Victoria Boutenko explains the numerous benefits of choosing a diet of fresh rather than cooked foods. This book contains self-tests and questionnaires that help the reader to determine if they have hidden eating patterns that undermine their health. Using examples from life, the author explores the most common reasons for people to make unhealthy eating choices. Rather than simply praising the benefits of raw foods, this book offers helpful tips and coping techniques to form and maintain new, healthy patterns. Learn how to make a raw food restaurant card that makes dining with co-workers easy and enjoyable. Discover three magic sentences that enable you to refuse your mother-in-law's apple pie without offending her. Find out how to sustain your chosen diet while traveling. These are only a few of the many scenarios that Boutenko outlines. Written in a convenient 12-step format, this book guides the reader through the most significant physical, psychological, and spiritual phases of the transition from cooked to raw foods. Embracing the raw food lifestyle is more than simply turning off the stove. Such a radical change in the way we eat affects all aspects of life. Boutenko touches on the human relationship with nature, the value of supporting others, and the importance of living in harmony with people who don't share the same point of view on eating. Already a classic, this enhanced second edition is aimed at anyone interested in improving their health through diet.

Dr. Doug Graham has taken the increasingly popular and tremendously successful low-fat, plant-based diet and turbo-charged it for unprecedented, off-the-charts results. Eclipsing even the astounding benefits so well documented by renowned health professionals who also advocate low-fat eating, Dr. Graham's plan is the first to present a low-fat diet and lifestyle program based exclusively around whole,
