Fans of Sex and the City and Bridget Jones's Diary, and anyone who loves to date vicariously, will fall in love with Matchbook. In this irresistible read, America's hippest Matchmaker borrows from her real-life experiences to create an urban love story about searching for "The One." When people learn what Samantha Daniels does for a living, they have to know more: How did she become a Match-maker? How many matches have led to marriage? How does it work? Who's her craziest client? And most of all, how can a Matchmaker be single? Samantha Daniels is unlike any Matchmaker you've ever heard of. Young, ambitious, and, yes, single, she's the founder of Samantha's Table, an introduction service that caters to singles in New York and Los Angeles who are ready to invest seriously in the task of finding The One. After handpicking their matches, Daniels works with her clients as their cheerleader, part-time therapist, dating coach, voice of reason, and closest confidante as she helps them down the road to happily ever after. Readers learn how Daniels started her Matchmaking business (How much do you charge for finding the love of someone's life? How do you screen out the Undatables?) and get to know the colorful cast of characters whom she fondly refers to as her "Desperados." There's Mr. Cheap skate, Miss Manhunt, and Looks Good from Afar Guy. There's the 39-year-old female corporate exec who wants a husband yesterday; there's the guy who will only date women worthy of Brad Pitt; there's the gazillionaire who offers a \$60,000 bonus if Samantha can find him a supermodel wife; there's the very well endowed woman who's having trouble finding men attracted to her mind; and a host of others. Will Samantha be able to make them a match? And more importantly, will this Matchmaker find herself a match? You would think that meeting hundreds of single men would make dating a snap, but not even a Matchmaker can avoid the pitfalls of single life. Readers are introduced to another lively cast of characters -- the men that Daniels herself dates. Readers meet the many Not for Me Guys and a few Maybe for Me Guys, to see that even a celebrated Matchmaker can be a Desperado herself. Throughout the book, Daniels also offers real dating advice (such as the most common first-date mistakes and tried-and-true conversation topics) and secrets of the trade (why September is the best month for Matchmaking). Like a real-life episode of The Bachelor, Matchbook is a wild ride through the flirty, unpredictable world of urban dating, with a wise and witty guide at the helm. For those who love romance and anyone looking for love, Matchbook is a perfect match.

Keeping track of friends, family, and coworkers has never been easier with this elegantly designed address book. Now a dead battery or lost phone won't leave you high and dry. You can record home addresses, phone numbers, and e-mail addresses of over 250 contacts across 13 alphabetical tabs, with an extra 14th specially for family members. It also comes with a helpful calendar, an atlas, and a comprehensive list of international calling codes, not to mention a lovely floral print cover that makes it a bright and stylish addition to anyone's daily planning kit.

This is a collection of journals written by Japanese men and women—from samurai and other government officials to novelists and poets—who journeyed to America, Europe, and China between 1860 and 1920. The diaries faithfully record personal views of the countries and their cultures and sentiments that range from delight to disillusionment. At once an intimate account of the travellers' lives and a testimony to the greater struggles and advances of their cultures, Donald Keene's eloquent translation and commentary invites the reader to partake in the world as each person experienced it.

The journalist and radio personality chronicles her life's quest to become a "goddess"—a fully realized, joyful, spiritual soul—in a guide that shows how humor can become a tool in the quest for inner wisdom. Original. 25,000 first printing.

L.M. Hughes placed an ad on craigslist.org to solicit diary entries from women who were willing to share their personal experiences and has compiled them into this, her first book.

Archdiocese of Washington exorcist Mgr. Stephen Rossetti and his team have a very active caseload of demonic possessions. Mgr. Rossetti presents many of these stories here, without varnish or hype. In these ninety-five detailed cases, two vivid lessons consistently emerge: 1. Demons possess or simply harass people in myriad ways and need to be taken seriously, even when they do not enter a soul. 2. Demons are defeated, decisively, by the power of Christ and His Church, employing prayer, sacramentals, rites of exorcism -- and especially, invocations to the Blessed Mother. "Despite all their bluster and arrogance, demons are cowards," Msgr. Rossetti reveals. In fact, in every section of his work, he offers detailed "Theological Reflections" explaining the meaning of these possessions, why he thinks God permitted each, and the spiritual benefits accrued. The devil is no match for the Lord of Heaven and Earth.

'Unflinchingly honest... this diary is exceptional' Elizabeth Buchan Tuesday 23 October, 1934 Another glorious sunny day. Lunch in Kens Gdns. E had not slept well "as I longed and longed for you". It made me happy that he wanted me. I suppose that is mean. He said, "I could pick you out in the dark from fifty women . . ." The diary of Doreen Bates is a candid, spellbinding portrait of a gutsy young woman working in London in the years before and during the Second World War, as well as an extraordinary account of her long affair with an older, married colleague - one that brazenly challenged the strict conventions of the day. 'Startlingly frank and readable' David Kynaston 'Absolutely engrossing' Virginia Nicholson 'Astute, passionate, remarkably intimate, showing us the day-to-day picture of a long relationship' Guardian
