6. First Response and the Digital Investigator - Digital Archaeology: The Art and Science of Digital Forensics [Book] 6. First Response and the Digital Investigator. The actions that are taken—or are not taken—in the first hours of any investigation are often the ones that will later help or hinder the search for evidence. Far too often, the first people on the scene know too little about collecting and archiving digital evidence, and they do more harm than good.

Digital Archaeology: The Art and Science of Digital ...

Art and Archaeology: Collaborations, Conversations, Criticisms encourages the creative interplay of various approaches to ‘ art ’ and ‘ archaeology ’ as contributions to how we interpret and understand the world. Established topics such as cave art, monumental architecture and land art will be discussed alongside treatments of modern and contemporary drawing, installation art, performance art, photography, sculpture, and video art.

Art and Archaeology: Collaborations, Conversations ...

An ebook (http://diffusion.org.uk/liquid/D_LG_Schofield_A4.pdf) on this subject summarises these relationships as: 1) art as an archaeological record - the idea that we create as well as consume material culture; 2) archaeological investigation as performance; and 3) art as interpretation, as narrative, and as characterisation. As well as collaborative work with Lucy Orta and Lucy Reynolds at Greenham Common, and the art/archaeology fusion of The Van, studies have also been conducted with ...

Art and Archaeology - Archaeology, The University of York

Through this Classical Art & Archaeology MA you will examine painting, pottery, sculpture and mosaics, and explore the craftsmanship that produced archeologically significant works. Traditionally, classical archaeology has focused on the art history of Classical Greece and Italy, but has more recently branched out geographically and chronologically.
