Fans of the iconic Deviations series will fondly recall Bradford as the beloved owner and Master of the elite and exclusively male BDSM club that anchors the series, and also as the wise man who introduced Tobias and Noah. Dominant Bradford's story is one defined by sudden opportunity, unimaginable heartbreak, and new-found purpose. His calling is to provide a safe and supportive environment for men in the lifestyle. Bringing Doms and subs together is his superpower, yet he feels fated to be alone himself. In this prequel to the series, you'll discover how Bradford is first drawn to Nikki, a beautiful and hungry young man living on the streets, and the unexpected ways Bradford grows and changes while helping Nikki understand a world of strange, new desires. Deviations readers already know outcome of Bradford and Nikki's journey together. Soft Limits is a deep-dive into Bradford's story, into what makes the Dom tick, and how he ended up with ownership of the club. It also introduces Nikki, the sub that tests Bradford's patience, steals his heart, and soothes his soul.

Noah and Tobias come back from Paris with a renewed contract and a deeper personal bond. Upon their return, they face a crisis that might just threaten their contract, and their personal intimacy. (Adult Fiction)

Capitalism's colonization of every hour in the day. *24/7: Late Capitalism and the Ends of Sleep* explores some of the ruinous consequences of the expanding non-stop processes of twenty-first-century capitalism. The marketplace now operates through every hour of the clock, pushing us into constant activity and eroding forms of community and political expression, damaging the fabric of everyday life. Jonathan Crary examines how this interminable non-time blurs any separation between an intensified, ubiquitous consumerism and emerging strategies of control and surveillance. He describes the ongoing management of individual attentiveness and the impairment of perception within the compulsory routines of contemporary technological culture. At the same time, he shows that human sleep, as a restorative withdrawal that is intrinsically incompatible with 24/7 capitalism, points to other more formidable and collective refusals of world-destroying patterns of growth and accumulation.

Love Is What Happens When You're Making Other Plans... Five years after arriving in Australia, Jason Stuart is finally embarking on the dream that brought him *Down Under*: going on "walkabout" in the Australian Outback. But Jason is not that fresh-faced and untried boy from Canada anymore. Jason is a man with half a decade of bad memories and worse nightmares. His friends think he's crazy, or possibly just plain stupid, but Jason needs to make his dream real in order to face his past. Everything changes when Jason picks up an unexpected travel companion. Suddenly, it's not his past that Jason needs to confront, it's his future. Part coming-of-age tale, part romance, part travel yarn, *Adagio* paints a heartwarming picture of a fledgling relationship between two very different men against the lush backdrop of Australia's natural wonders.

Jake Taggart's life was almost perfect He'd worked hard to overcome his past, and he loved his job as foreman on a ranch in Arkansas. The only thorn in his side was a dark eyed cowboy named Tornado whose stubborn attitude brought frustration and confusion to Jake's mostly happy existence. A late spring rainstorm brings out hidden passions and unleashes a chain of events neither of them expected--and eventually brings about events that threaten to destroy them and what they worked to create. Strong wills and forceful personalities make for intense encounters...but is it enough to keep love alive? Chris Owen lives and writes in Eastern Canada. Favorite things include shrimp and pasta, soft wool, sunshine through windows, and late nights followed by sleeping in. Conversely, dislikes include waking too late, seeing sunshine only through windows, and being inside during rain storms. This is the Tenth Anniversary Special Edition of the Best-Selling novel, including author's foreword.

Jake and Tor return in this long-awaited sequel to the bestselling *Bareback!* Having bought the ranch they've worked on for so long, they're now the proud owners of a spread of their own. There's more than enough on their plate coping with their new responsibilities and their arguments over ranch management, and it's not long before even more trouble hits. When he learns his sister has died in an automobile accident, Jake is crushed. His grief is tempered by Tor's loving support, but they're forced to be apart while Jake deals with the family. When they bring Jake's nephew back to the ranch, things stretch to the breaking point. From the day to day difficulties of running the ranch to

dealing with a teenager who's just lost his mother, Jake and Tor wonder if they'll be able to survive. In the fury of the storm, the two men fall back on the one thing that can get them through. Each other. Can they keep it together when everything seems to be falling apart around them? Chris Owen gives Jake and Tor a triumphant return, bringing back a cast of characters that are as well-loved as they are in love with each other. Settle in against the storm and read *Natural Disaster* today!

In this volume of 15 articles, contributors from a wide range of disciplines present their analyses of Disney movies and Disney music, which are mainstays of popular culture. The power of the Disney brand has heightened the need for academics to question whether Disney's films and music function as a tool of the Western elite that shapes the views of those less empowered. Given its global reach, how the Walt Disney Company handles the role of race, gender, and sexuality in social structural inequality merits serious reflection according to a number of the articles in the volume. On the other hand, other authors argue that Disney productions can help individuals cope with difficult situations or embrace progressive thinking. The different approaches to the assessment of Disney films as cultural artifacts also vary according to the theoretical perspectives guiding the interpretation of both overt and latent symbolic meaning in the movies. The authors of the 15 articles encourage readers to engage with the material, showcasing a variety of views about the good, the bad, and the best way forward.

This open access book describes the serious threat of invasive species to native ecosystems. Invasive species have caused and will continue to cause enormous ecological and economic damage with ever increasing world trade. This multi-disciplinary book, written by over 100 national experts, presents the latest research on a wide range of natural science and social science fields that explore the ecology, impacts, and practical tools for management of invasive species. It covers species of all taxonomic groups from insects and pathogens, to plants, vertebrates, and aquatic organisms that impact a diversity of habitats in forests, rangelands and grasslands of the United States. It is well-illustrated, provides summaries of the most important invasive species and issues impacting all regions of the country, and includes a comprehensive primary reference list for each topic. This scientific synthesis provides the cultural, economic, scientific and social context for addressing environmental challenges posed by invasive species and will be a valuable resource for scholars, policy makers, natural resource managers and practitioners.

In this sequel to *Deviations: Submission*, Dom Tobias and Sub Noah are back, learning more about each other and their relationship, testing the boundaries of what they can and cannot handle, both together and apart. Tobias works at becoming more comfortable and finding his balance as a full-time Master again. Meanwhile, his work brings out the true submissive in Noah, who faces some of his greatest fears, and his greatest secrets, confessing to Noah about a terrible time in his past. He's not the only one who has a rough time. Tobias breaks down and shows Noah he's not all dominance, too, which sends shockwaves through their romance, leaving them to wonder if they can keep it together. With a deep exploration of the BDSM scene, secondary characters who shine, and a romance that has the reader rooting for these men from the start, *Deviations: Domination* is one book you can't miss. Authors Chris Owen, writer of the popular *Bareback*, and Jodi Payne, writer of *String of Pearls* have done it again. Hard at work on a third book in the *Deviations* series, these authors have many more projects planned. Look for them to come from Torquere Press!
