How Immigrants Contribute to the Dominican Republic's Economy is the result of a project carried out by the OECD Development Centre and the International Labour Organization, with support from the European Union.

"Dr. Julie Sellers tackles a musical genre that has become a sign of identity among Dominicans in a short amount of time. It is a social X-ray in which bachata synthesizes traits of the people of Quisqueya (Dominican Republic) constructed throughout that country's history. Additionally, this book is the result of rigorous research based in fieldwork in the Dominican Republic and New York that includes the testimony of important representatives of this musical expression."--Alexis Mendez, host, Musica Maestro "La Dra. Julie Sellers aborda un genero musical que en poco tiempo se ha convertido en un signo identitario de los dominicanos. Se trata de una radiografia social donde la bachata sintetiza rasgos de la gente de Quisqueya, construidos a lo largo de la historia dominicana de este pais. Ademas este libro es resultado de una rigurosa investigacion, centralizada en un trabajo de campo (en localidades de Republica Dominicana y en Nueva York) que involucra testimonios de importantes representantes de esta expresion musical."--Alexis Mendez, conductor de "Musica Maestro." Bachata--a guitar-based romantic music that debuted in Santo Domingo's urban shantytowns in the 1960s--is today one of the hottest Latin genres. Still, fans and musicians have not

File Type PDF Dominican R Lic Directions

forgotten the social stigma the genre carried for decades. This book interweaves bachata's history and development with the socio-political context of Dominican identity. The author argues that its early disfavor resulted from the political climate of its origins and ties between class and race, and proposes that its ultimate acceptance as a symbol of Dominican identity arose from its innovations, the growth of the lower class, and a devoted following among Dominican migrants. La bachata--una musica de guitarra que se estreno en los barrios populares de Santo Domingo en los anos 60--hoy, es uno de los generos latinos mas populares. No obstante, sus aficionados y sus exponentes recuerdan el estigma social asociado que conlleva por decadas. Este libro entreteje la historia y el desarrollo de la bachata con el contexto socio-politico de la identidad dominicana. La autora plantea que su desaprobacion temprana resulto del clima politico en que nacio y los vinculos entre raza y clase social. Propone que su aceptacion final como simbolo de identidad dominicana surge de sus innovaciones, el crecimiento de la clase baja y sus seguidores leales entre los migrantes dominicanos.

Dominican Republic Directions is ideal for any visitor who wants to explore this verdant, sun-kissed island. From the white-sand beaches lapped by warm, turquoise waters to the spirited festivals and most happening music venues. The guide includes practical detail for outdoor enthusiasts - windsurfers, snorkellers, divers and trekkers. The full-colour 'ideas' section with themed spreads of hidden beaches, natural attractions and the best restaurants and resorts on the island. Having this guide at your side is like having a local friend plan your trip.

Evaluates role and impact of Alliance for Progress on Latin America. Includes "Review of Alliance for Progress Goals," by AID, Feb 1969 (p. 656-753).
