From the biblical exodus of the Hebrew slaves to the emancipation of African slaves, liberation used to mean autonomy. Slavery was the greatest denial of personal autonomy and liberation freed the former slave to make his own decisions and exercise power over his own life. Now, liberation is identified with controlling others.

*The Oppressive Liberation of the Left - American Renaissance*  
Liberation from the cycle of birth and death According to the science of Spirituality the definition of being liberated means not being compelled to take birth again because one's destiny has been significantly reduced. Man is born repeatedly for two reasons.

How the world works We have to ponder the nature of the monsters that oppress us in order to begin to imagine our liberation. Noam Chomsky's 2010 book, *How the World Works*, is a recent attempt by a living philosopher to seek to offer a large-scale description of how structures and systems of economic and political power oppressively operate at a world scale.

Liberation becomes so key in freeing the citizen from his/her inferiority complex, despair and inaction thereby restoring self-respect and national dignity. Failing peace talks and negotiations that never materialized due to the nature of the Rwandan regime at the time left Rwandans in the RPF no other choice but to assert more significance to the need of total liberation and four years later, Rwanda was liberated.
