State Policies That Protect Dreamers. States cannot legalize the status of undocumented immigrants, but they may address collateral issues that stem from being undocumented. All 50 states and the District of Columbia permit DACA recipients to be issued driver ’ s licenses.

We are resilience. We are hope. We are dreamers. Yuyi Morales brought her hopes, her passion, her strength, and her stories with her, when she came to the United States in 1994 with her infant son. She left behind nearly everything she owned, but she didn't come empty-handed. Dreamers is a celebration of making your home with the things you always carry: your resilience, your dreams, your hopes and history. It's the story of finding your way in a new place, of navigating an unfamiliar world and finding the best parts of it. In dark times, it's a promise that you can make better tomorrows. This lovingly-illustrated picture book memoir looks at the myriad gifts migrantes bring with them when they leave their homes. It's a story about family. And it's a story to remind us that we are all dreamers, bringing our own strengths wherever we roam. Beautiful and powerful at any time but given particular urgency as the status of our own Dreamers becomes uncertain, this is a story that is both topical and timeless. The lyrical text is complemented by sumptuously detailed illustrations, rich in symbolism. Also included are a brief autobiographical essay about Yuyi's own experience, a list of books that inspired her (and still do), and a description of the beautiful images, textures, and mementos she

NEW YORK TIMES BOOK REVIEW EDITORS ' CHOICE • An ordinary town is transformed by a mysterious illness that triggers perpetual sleep in this mesmerizing novel from the bestselling author of *The Age of Miracles*. “ Stunning. ” —Emily St. John Mandel, author of *Station Eleven* • “ A startling, beautiful portrait of a community in peril. ” —Entertainment Weekly NAMED ONE OF THE BEST BOOKS OF THE YEAR BY Glamour • Real Simple • Good Housekeeping One night in an isolated college town in the hills of Southern California, a first-year student stumbles into her dorm room, falls asleep—and doesn ' t wake up. She sleeps through the morning, into the evening. Her roommate, Mei, cannot rouse her. Neither can the paramedics, nor the perplexed doctors at the hospital. When a second girl falls asleep, and then a third, Mei finds herself thrust together with an eccentric classmate as panic takes hold of the college and spreads to the town. A young couple tries to protect their newborn baby as the once-quiet streets descend into chaos. Two sisters turn to each other for comfort as their survivalist father prepares for disaster. Those affected by the illness, doctors discover, are displaying unusual

levels of brain activity, higher than has ever been recorded before. They are dreaming heightened dreams—but of what? Written in luminous prose, *The Dreamers* is a breathtaking and beautiful novel, startling and provocative, about the possibilities contained within a human life—if only we are awakened to them. Praise for *The Dreamers*

“ Walker ’ s roving fictive eye by turns probes characters ’ innermost feelings and zooms out to coolly parse topics like reality versus delusion. . . . [It has] the perfect ambiguous frame for a tense and layered plot. ” —O: The Oprah Magazine “ [Walker ’ s] gripping, provocative novel should come with a warning: may cause insomnia. ” —People (Book of the Week) “ Powerful and moving . . . written with symphonic sweep. ” —The New York Times Book Review “ 2019 ’ s first must-read novel . . . Alternately terrifying and moving . . . *The Dreamers* is overflowing with humanity. ” —Jezebel “ This is an exquisite work of intimacy. Walker ’ s sentences are smooth, emotionally arresting—of a true, ethereal beauty. . . . This book achieves [a] dazzling, aching humanity. ” —Entertainment Weekly

A panoramic history of liberal politics in America by a forefront historian and author of *A Godly Hero* analyzes the impact of major movements throughout the past two centuries, from abolitionism and industrial-age labor disputes to the civil-rights movement and the emergence of alternative political groups.

In 1994, 25-year-old YUYI MORALES traveled from her home in Yelapa, Mexico, to the San Francisco Bay Area with her two-month-old son, Kelly, in order to secure permanent residency in this country. Her passage was not easy and she spoke no English whatsoever. But due in large measure to help and guidance provided by area children's librarians, she learned English as her young son learned to read, through the picture books they shared together. In spare, lyrical verse and the vibrant images for which she has become legendary, Yuyi has created a lasting testament to the journeys, both physical and

File Type PDF Dreamers

metaphorical, that she and Kelly have taken together in the intervening years. Beautiful and powerful at any time, but given particular urgency as the status of our own Dreamers becomes uncertain, this is a story that is both topical and timeless.

"Oprah's book club 2017 selection"--Cover.

Winner of the Everett Family Jewish Book of the Year Award (a National Jewish Book Award) and the RUSA Sophie Brody Medal. In *Like Dreamers*, acclaimed journalist Yossi Klein Halevi interweaves the stories of a group of 1967 paratroopers who reunited Jerusalem, tracing the history of Israel and the divergent ideologies shaping it from the Six-Day War to the present. Following the lives of seven young members from the 55th Paratroopers Reserve Brigade, the unit responsible for restoring Jewish sovereignty to Jerusalem, Halevi reveals how this band of brothers played pivotal roles in shaping Israel's destiny long after their historic victory. While they worked together to reunite their country in 1967, these men harbored drastically different visions for Israel's future. One emerges at the forefront of the religious settlement movement, while another is instrumental in the 2005 unilateral withdrawal from Gaza. One becomes a driving force in the growth of Israel's capitalist economy, while another ardently defends the socialist kibbutzim. One is a leading peace activist, while another helps create an anti-Zionist terror underground in Damascus. Featuring an eight pages of black-and-white photos and maps, *Like Dreamers* is a nuanced, in-depth look at these diverse men and the conflicting beliefs that have helped to define modern Israel and the Middle East.

Explains how parents can identify and appreciate the Edison Trait--intelligence, active imagination, and a free-spirited approach to life--and offers eight steps to help support its benefits and minimize its problems

File Type PDF Dreamers

"Sublime and immersive . . . If you wish you could disappear to a Greek island right now, I highly recommend." —Jojo Moyes, #1 bestselling author of *Me Before You* "This gorgeous, glimmering summer read is itself perfect summer: irresistible and deep, Samson's lyric sentences pulling you into unforgettable sunlight and shadow." —Amy Bloom, New York Times bestselling author of *White Houses*

It ' s 1960, and the world teeters on the edge of cultural, political, sexual, and artistic revolution. On the Greek island of Hydra, a proto-commune of poets, painters, and musicians revel in dreams at the feet of their unofficial leaders, the writers Charmian Cliff and George Johnston, troubled queen and king of bohemia. At the center of this circle of misfit artists are the captivating and inscrutable Axel Jensen, his magnetic wife Marianne Ihlen, and a young Canadian ingenue poet named Leonard Cohen. When eighteen-year-old Erica stumbles into their world, she ' s fresh off the boat from London with nothing but a bundle of blank notebooks and a burning desire to leave home in the wake of her mother ' s death. Among these artists, she will find an unraveling utopia where everything is tested—the nature of art, relationships, and her own innocence. Intoxicating and immersive, *A Theater for Dreamers* is a spellbinding tour-de-force about the beauty between naïveté and cruelty, chaos and utopia, artist and muse—and about the wars waged between men and women on the battlegrounds of genius. Roiling with the heat of a Grecian summer, *A Theater for Dreamers* is, according to the *Guardian*, “ a blissful piece of escapism ” and “ a surefire summer hit. ”

Jende Jonga, a Cameroonian immigrant living in Harlem has come to the United States to provide a better life for himself, and his family. In the fall of 2007, Jende can hardly believe his luck when he lands a job as a chauffeur for a senior executive at Lehman Brothers. When the financial world is rocked by the collapse of Lehman Brothers, Jende is desperate to keep his job and is soon forced to make an impossible choice.
