Starter • #1 • 4 mo ago. Hi

? has anyone got a solution

as to why my 2016 Monster

1200r Engine light keeps

coming on? It's still rides

the same? No power loss????

Just sick of it coming on 10

When the bike has been
stopped for 10 minutes or
more and you fire it up the
engine management light

Online Library Ducati Monster Check Engine

Light stays on, if you knock it off then restart it again straight away the light goes out and stays out. When the light is on it runs lumpy and won't rev past 6k but it runs sweet as a nut when the lights out.
