I know it's late but here's the sixth and final installment of my trip down memory lane. This first piece is one of the few digital paintings I did while in school, it was for a hypothetical fantasy story called 'The Black Cauldron'. *at least I thought it as hypothetical, apparently The Black Cauldron was a Disney movie from the '80s.

The Monster Manual disagrees with your DM... Senior Wizards staff have also confirmed this. Constructs, like literally anything listed in the Monster Manual, are a type of creature.

Animated Armor - Monsters - D&D Beyond

As new editions of Dungeons & Dragons were released, the creators of the game worked out a formula for determining the level at which certain monsters should be unleashed upon the party. This is referred to as a challenge rating and it was introduced in the third edition of the game as a means of helping the dungeon master to create balanced combat encounters.

The Dungeons & Dragons roleplaying game is about storytelling in worlds of swords and sorcery. Like games of make-believe, D&D is driven by imagination. It's about picturing a crumbling castle in a darkening forest and imagining how a fantasy adventurer might react to the challenges that scene presents.
