DYLAN is the 4th book in USA Today Bestselling and Amazon #1 Bestselling Indie Author, Carole Mortimer’s, paranormal series, DRAGON HEARTS. Author’s Note: Beware of very sexy alpha dragon shifters on the hunt for their fates mates! Waking up in a curtained cubicle in a human hospital wasn’t the worst experience Dylan had ever had in his centuries-long existence, but it was certainly not something he would ever have expected to happen. As a dragon shifter, human ailments didn’t bother him, and if he was ever injured then transforming into his dragon would heal him. Besides, he and his brothers had always avoided human hospitals because the doctors there had a habit of carrying out tests and asking for X-rays that would clearly tell them the Pendragon brothers weren’t human. Opening his eyes to find his fated mate bending over him, his human fated mate, was even more of a shock. Yes, three of his brothers had found their fated mates in the past year, and they had all been human, but Dylan had never thought it would happen to him too. Holly Barnes wasn’t only human, the name tag attached to her white coat said she was also a doctor. And the singular most beautiful woman Dylan had ever seen, with her glossy auburn hair, dark green eyes, and voluptuous body. A & E doctor, Holly Wilson, didn’t know what to make of her newest patient. Apart from the fact he was the most gorgeous and sexy man she had ever set eyes on. He was also extremely tall, over six and a half feet of dark and dangerous bad boy, if her assessment was correct. But she hadn’t been able to find any visible injuries on him when she examined that ripped and toned body, no head injury or anything else to explain why he had been unconscious when he was brought in to A&E. He looked perfectly normal to her, almost as if he was sleeping, rather than injured. Having him suddenly raise his eyelids and look at her with glittering blue eyes, that didn’t appear fevered or pained, but gazed up at her as if she was Christmas, birthdays, and every other holiday celebration combined, was more than a little unnerving. Even more so was having his fingers curl like steel bands about her wrist and have him call her his fated mate. Holly had enough problems in her life right now without some crazy man telling her she now belonged to him. Even if he did look like a Greek or Roman god and made her knees go weak. Until Dylan knew what had happened to put him in the human hospital in the first place, he knows he shouldn’t even think about claiming Holly as his mate. Staying away from his fated mate altogether proves impossible, but is Dylan putting Holly’s life in danger by continuing to seek her out at every opportunity?

AERAN & RHYS is the 7th and last took book in USA Today and Amazon #1 Bestselling Author, Carole Mortimer’s, paranormal dragon shifter series, DRAGON HEARTS. Author’s Note: Beware of very sexy alpha dragon shifters on the hunt for their fated mates! What happens when two dragon shifters, even two dragon shifter brothers, discover they have the same fated mate? Everyone knows dragons don’t share. Especially two such different dragon shifters as Aeran & Rhys Pendragon. Aeran is tech savvy, a man of the 21st century, and Rhys is still the warrior he has been for the past sixteen centuries, living by the code of kill or be killed. Even more troublesome, their fated mate is the daughter of the man Aeran and Rhys helped condemn to death after he tried to kill the fated mate of their eldest brother, Grigor. Cristina doesn’t know who she can trust when she finds herself alone and unprotected in London after her father’s disappearance. She daren’t accept the help of Aeran and Rhys Pendragon when they suddenly appear in her life. She doesn’t know either man, and her father never mentioned knowing them either, so who are they and what do they want from her? Unfortunately she doesn’t have any choice but to accept Aeran and Rhys’s protection after an attempt is made on her life. Finding herself suddenly alone with these two handsome and totally different men, Cristina quickly realizes she’s attracted to both of them. Aeran and Rhys make it obvious they return that attraction. Cristina has no idea how she is supposed to choose between these two intensely determined men. She’s even more confused when they assure her she doesn’t have to, and ready to run when they explain the reason why she doesn’t.

Single, charming, sophisticated and wealthy, Rourke Steele has zero interest in falling in love or having a relationship. He’d decided that long before the young and beautiful Sophie Hammond walked into his life three years ago. He has the perfect life, working for the security company owned by all six of the Steele brothers, and dating and bedding as many beautiful women as he wants. Why ruin that by settling for one woman? What does it matter if every time he sees Sophie Hammond he wants to drag her off to his bed and do wicked things to that delectable body? It just means he’s a normal red-blooded man, right? Wrong. Because when Sophie is attacked at a wedding they are both attending Rourke doesn’t hesitate to step in and defend her. To hell with his usual charm and sophistication, Sophie is his, damn it. His! Falling instantly and irrevocably in love with one of her six bosses probably wasn’t the wisest thing Sophie had ever done. It wasn’t the worst thing she had ever done either. No, that prize went to trying to sort out her father’s mess without alerting any of the Steele brothers, but most especially Rourke, to what was going on. Something that is no longer an option when she’s attacked while attending the wedding of Logan Steele, Rourke’s twin brother, and Rourke is the one who comes to her rescue. Grateful as she is for that intervention Sophie has no intention of allowing Rourke to just step in and try to take over her life. Never mind that his kisses make her head spin and her knees weak. She’s a big girl and can take care of her own mess, thank you very much. Fireworks will ignite the sky and inanimate objects fly before these two stubborn people admit to their feelings for each other. Author’s Note: Beware of the very sexy & very alpha Steele brothers. These books are HOT!

He believes travelling to Suffolk with James to be the perfect diversion from his own ennui. For ten years Bethany has believed her brother to be dead and buried, so it is the greatest shock of her young life when he suddenly reappears back at the Suffolk estate of their uncle, where she has been incarcerated for all of those same years. Eleven years ago Lord Zachary Noble, the Earl of Harrogate, was involved in a scandal which rocked Society. It resulted in the loss of his reputation and being ostracized and held in contempt by those who mattered to him. His best friend. His family. No woman would even consider marrying him. All of it gone because of the false accusation levelled at him by a young woman he barely knew. All these years later Zachary’s good name has at last been restored to him after the real culprit is finally found and punished for the crime. And she has set her heart on Zachary. Zachary appreciates that Rissa is beautiful, as well as vivacious and intelligent, but she is also the very last woman he should ever allow himself to fall in love with. Nor will Rissa wish for his love once she becomes aware that the scandal in Zachary’s past is connected to her family and the stepmother she adores. Benedict’s Challenge (Regency Club Venus 3) is the 3rd book in Amazon #1 & USA Today Bestselling Author, Carole Mortimer’s, hot new historical romance series, Regency Club Venus. Lord Benedict Winter knows what those in Society think of him. Of their disapproval of his having studied and become a physician. They are even more shocked that he uses his skill, not just to treat the poor but also to care for the ladies of Club Venus, a house of ill-repute owned by one of his closest friends. Not disapproving enough to ban him from entering their homes of course, because he is, after all, one of the wealthiest gentleman in England. Having shunned all attempts to entice him into the Marriage Mart, many in Society also believe Benedict to be a cold and arrogant man, with no emotion to give. His close friends know better. In the circumstances, the very last thing Benedict needs or wants is to meet and instantly be attracted to Chloe, a young woman he discovers residing in another man’s home. And in their place she now lives in the home of a man who despises her and takes every opportunity to make those feelings known to her. Lord Benedict Winter sweeps in like a breath of fresh air into the stultifying life Chloe is now forced to lead. But he blows hot and cold, one moment making his desire for her known and the next putting her at arms’ length and insisting he is not the man for her to build her dreams upon. But dreams, Chloe quickly discovers, have a will and determination of their own.

So much so that Lucan doesn’t believe any woman could ever accept the things he did in his past. But as Lucan quickly discovers, Rachel isn’t like other women, and the heated attraction between the two of them becomes too intense for either of them to deny any longer. LOGAN (Steele Protectors 1) is the 1st book in USA Today and Amazon #1 Bestselling Author, Carole Mortimer’s, BRAND NEW Contemporary Romantic Suspense series. Author’s Note: Beware of the very sexy & very alpha Steele brothers. These books are HOT! LOGAN Steele is having a bad day. Well!after being shot, and almost dying, he’s having a bad month. Being forced to recuperate by manning the offices at Steele Protectors, the family security company, is not improving his already short temper. Which might be one explanation as to why Logan, after having a particularly difficult weekend, is so rude to the beautiful August Harvey when she is shown into his office one wet Monday afternoon. The other reason could be that Logan is just naturally rude and impatient. Nor is his mood improved by what August Harvey has to tell him. August had thought she was doing the right thing by coming to see one of the Steele brothers when her friend Jenna disappears. But after only two minutes in the company of Logan Steele, August is seriously rethinking that decision. Logan might be one of the most dangerous and handsome men she has ever seen, and hotter than hell, but he’s also arrogant, rude, and just all-round impossible. But there’s no denying that Jenna is missing, and the Steele brothers are the ones that need to find her. Being treated as if she might have had something to do with Jenna’s disappearances is the last thing August expected. Until it’s revealed that she does!
