Eating the Elephant. by, Alice Wells (Goodreads Author) 3.90 · Rating details · 616 ratings · 32 reviews. At first glance, Alice Wells and her young children seem to be an ordinary family grieving the death of a father and husband in a tragic car accident. In reality, her story offers the reader a rarely told perspective – a mother's account of the impact of a husband's devastating addiction to internet child pornography and how this dark world reached right into the heart of.

Each week in the Eating the Elephant Podcast, Misael Rodriguez and Philip Looney break down digital marketing strategies into smaller chunks that are easy to digest. Our goal is to help small businesses take on the elephant-sized task of digital marketing one bite at a time. Each week's episode is brought to you by one of their favorite Mexican dishes.

Alice was very brave to write the book & I admire her for that. Eating the elephant was an interesting concept to run along side the story. Maybe we could all use this concept to help with our own situations? One person found this helpful

**Amazon.co.uk: Customer reviews: Eating the Elephant**

Eating the Elephant Strategy. The Eat the Elephant tactic is primarily focused on breaking up a significant and dangerous task into many smaller, seemingly less dangerous, challenges. In a sense you: eat your enemy's strength. The tactical part is that each participant in one of the smaller tasks does not know how challenging and daunting is the overall strategy.

Desmond Tutu once wisely said that "there is only one way to eat an elephant: a bite at a time." What he meant by this is that everything in life that seems daunting, overwhelming, and even...

**The Only Way to Eat an Elephant | Psychology Today**

I was eating this elephant 10 minutes at a time! By the end of the week, 80% of my elephant was gone! All with only a few minutes of effort a day! Taking care of the rest was going to be a cinch. And I had momentum on my side. Eat Your Elephant. What is your elephant? What big project have you been avoiding? You know you need to do it.

**How to Eat an Elephant in 10 Minutes—Time Management Ninja**

The first problem with eating an elephant one bite at a time is that it goes bad really quickly. Imagine a huge elephant lying outside of the villager's hut. With the sun and the days, weeks and months it would take to eat the elephant this way, it going to rot pretty quickly and stink up the neighborhood. You Get Really Sick of Elephant

**Don't Eat the Elephant One Bite at a Time!**

The name, Eating Elephants, includes three important points. Firstly Elephants are majestic creatures that we admire and when we see them, cannot miss! This is what we should be: majestic, full of health and vigor. After that, considering a full lifespan, we eat the equivalent of about 5 to 6 Elephants - surprising isn't it, so the quality of what we eat is very important.
