### Economics of Social Issues 19th edition (9780073511337 ...

Social issues are the source of a conflicting opinion on the grounds of what is perceived as morally correct or incorrect personal life or interpersonal social life decisions. Social issues are distinguished from economic issues; however, some issues (such as immigration) have both social and economic aspects.

### Social issue - Wikipedia

The UN ' s Framework for the Immediate Socio-Economic Response to the COVID 19 Crisis warns that “ The COVID-19 pandemic is far more than a health crisis: it is affecting societies and economies at their core. While the impact of the pandemic will vary from country to country, it will most likely increase poverty and inequalities at a global scale, making achievement of SDGs even more urgent.

### Socio-economic impact of COVID-19 | UNDP

Racism, violence in schools, drug abuse, unemployment, hunger and unfair labor conditions are examples of social issues in the United States. Typically, social issues result from factors beyond an individual's control and disproportionately affect people who share characteristics such as race, religion, economic status or geographic location.
