The Pastor's Handbook (KJV) is intended to meet the continuing need of the Christian minister for guidance and forms as he does the work of the ministry. It seeks to offer options to suit the tastes of the pastor and congregation within the parameters of quality, beauty and dignity. To this end, numerous changes, both large and small, have been made—more selected Scriptures, new alternatives for special occasions, some significant additions and changes. At the same time, every effort has been made to keep the book concise and compact to maximize its usefulness. The formulas should be sufficient for the ordinary needs of the minister. They may be modified or supplemented by materials from the pastor's private collection or his own preparation. Some who stress liberty in prayer and preaching dislike set forms, preferring spontaneity and a free style as they worship. If the spiritual vitality of a church is maintained there need be no fear that these forms will become lifeless rituals. The use of forms should never become merely formal. And if the use of forms adds beauty and dignity to the atmosphere of sacredness, who can object? May the blessing of God attend all who glean from this manual, enabling it them to know what to say and how to say it. This is made also for allowing them to know what to do and how to do it especially as the occasion requires. Gratitude is expressed to many pastors and contributors for this volume. Includes the: worship service, baptism, communion, funerals, anointing services, healing services, membership, installation, baby and child dedication, consecration services, ceremonies for buildings and visitation.

Examines sixteen major Bible doctrines substantiated with numerous Scripture references. Topics include the inspired Scriptures, one true God, deity of the Lord Jesus Christ, divine healing, salvation of man, fall of man, baptism in the Holy Ghost, and new heavens and new earth.

FROM DEATH INTO REAL LIFE Gene, Earline & Marie Moody 14930 Jefferson Highway Baton Rouge, LA 70817-5217 1-225-755-8870 INTERNET Stan & Elizabeth Madrak DemonBuster.com BloodOfJesus@DemonBuster.com Gene B. Moody BeDelivered.com Gene.Moody@BeDelivered.com This is the testimony of my family: Earline, my wife; Marie, my daughter; and Byron, my son. We were married in 1955 by Dr. Lee Roberson, who had a practice of not marrying anyone who was not a Christian. Little did we realize then what a difference it makes for both spouses to be Christians and for God to control your family. We give God the credit for our successful marriage of 43 years. We were average Christians who never had really done anything very bad or very good. Although I had held most of the positions in the church, there was not much love in my heart for others. Nor did we see much love in the many churches we attended as I moved around the United States following the engineering profession. Worship services were more of a formality. Earline had a number of miscarriages. Thyroid and parathyroid were completely removed as a teenager. The doctors said that we could not have any children. Earline began praying, and in 1960 God rewarded us with a beautiful boy we named Byron. Two years later, God gave us a beautiful baby girl we named Marie. They were all the children we could have because of Earline's health. We went to traditional churches. They did not teach us about the miracle-working God. We did not see the miracles of God for twenty years. After several medical checkups culminating in a \$500.00 one in 1973, it was conclusively proven that Earline had no thyroid or parathyroid. According to the doctors, she could not be alive, but was doing fine at 40 years of age. We later recognized that our children were medical miracles. We had a near perfect family for 12 1/2 years, then tragedy struck. Byron climbed a tree and touched a 4000-volt power line and fell 50 feet. We really began to see God at work in our lives. I would like for Earline to tell what happened. We still don't understand why it had to happen or what all God has done for us. On May 22, 1973, my world came to a crushing halt! As the children played, two neighbors came over to join me for tea. The children came in for cookies and went out again. Byron stood by my chair, his arm on my shoulder, gave me a little hug and said some day he would climb a tree to the very top. Turned, on the run, and said, "You're a nice mom," went out the door and climbed a tall cottonwood. Soon, one of the children said that Byron had fallen out of the tree. One look at Byron and I knew only God could help him. Marie and I began to pray as never before. Nothing in my life had prepared me for this moment. No faith in God rose to meet this crisis. On the way to the hospital, we became sure that God didn't love us or He would never have let this happen. Having nothing else to cling to, we clung to God anyway and Psalm 50:15. At the hospital, I accused God of not living, not caring, not being. He so lovingly said, "I love you, Gene and Marie, more than you love each other, more than you love yourselves. I love Byron more than you do." I couldn't believe Him. I told God if He didn't do something to prove He loved us and that Byron was in Heaven, I would kill them and myself. I told Him if Byron was not in Heaven I didn't want any part of it either. With all this fussing at God, I could only feel love coming to me. He said, "All things are His including the tree, the power line and all the earth" according to Psalm 50:10-12. I heard myself telling Satan to remove death from Byron in the name of Jesus. Byron lived on as a miracle. I didn't know this was possible (rebuking Satan in Jesus' name). After Gene arrived, I told all God had said. We could not believe that God really was talking. We didn't know He talked today. As we prayed together, God assured us of His love and His everlasting knowledge.

Bring these practical things home and put them to work. You will not be sorry you invested in this training for you and your ministry team. Rev. Lloyd Tremain, Paradise Community Church of the Nazarene A thorough, practical and much needed Biblically sound treatment. Wish it had been available 20 years ago when I could have use it to a great positive effect Dan Wilderman, Retired Assemblies of God Pastor the order and practical instruction presented will benefit all organizational levels of any Christian Church today. John Steffensen, Radio Host, Christ Today KKKX Radio Chico CA Hopefully this manual will lay the groundwork for pastors and churches to spread the burden and get others involved in the work of the ministry. I once had a pastor that was often unprepared for a service because he was busy helping a parishioner with some needed chore, or church maintenance, or the myriad other duties needed to keep a church going. The result was that the church stayed the same size. Some leave; others enter. But no growth was apparent despite the considerable preaching talents of the pastor. God is apparently making sure he has only the amount of people that he can handle. We learn that the ancient church had some of the same challenges we face today. Acts 6:14 says, Now in those days, when the number of the disciples was multiplying, there arose a complaint against the Hebrews by the Hellenists, because their widows were neglected in the daily distribution. Then the twelve summoned the multitude of the disciples and said, It is not desirable that we should leave the word of God and serve tables. (Read this as doing manual labor.) Therefore, brethren, seek out from among you seven men of good reputation, full of the Holy Spirit and wisdom, whom we may appoint over this business; (the manual labor) but we will give ourselves continually to prayer and to the ministry of the word. It was even bringing strife to the local body. What did they do? And what was the result? The first thing the apostles did was pick out people they knew to be wise and that had had received the baptism of the Holy Spirit and appointed them to do practical ministerial duties (the manual labor). This freed up the apostles so they could minister the Word of God. Wow, God's way is so simple, and our grandiose plans just waste time and get nothing done. Pastors need to learn from the apostles and appoint over this business so the pastors has more time to do the spiritual work that promotes God's church. This manual gives a road map for accomplishing the goal of choosing and training people and tips for managing them.
