Emir's Education in the Proper Use of Magical Powers ...

Emir's Education in the Proper Use of Magical Powers is an  
enchancing book for children, young adults, and adults. It explores  
the nature of reality, life, and death with poetic grace and humor.  
The author creates a lovingly made fantasy world where all things  
have a purpose even before their creation and all children are sacred  
even after they've grown up.

It may sound dry and dusty, but an education management information system (EMIS) lies at the very heart of efforts to monitor progress towards the world's education goals, particularly Sustainable Development Goal 4 (SDG 4). It is a vital instrument that has, perhaps, had less attention than it deserves, given that an EMIS should be, in essence, in the core of the planning
