Hundreds of colorful, witty, and downright hilarious stories, anecdotes, quips, jokes, and yarns reflect and poke fun at Jewish culture from ancient times to the present.

## Read PDF Encyclopedia Of Jewish Humor From Biblical Times To The Modern Age

In this comprehensive encyclopedia, Spalding has not only collected the most hilarious anecdotes and stories that have ever been told, but he places them in proper historical perspective. In 39 chapters he marches the colourful characters of Jewish folklore through 40 centuries, from biblical times to the atomic age, in a manner that illuminates the highlights of Jewish history and portrays the vicissitudes of Jewish life in most of the countries where Jews have lived. Spalding allows 40 centuries of Jewry to speak for itself, not through tears, but laughter; sometimes with a sigh, but mostly in jubilant fashion.

This multicultural reference work on Jewish folklore, legends, customs, and other elements of folklife is the first of its kind.

The first book on Jewish humor in which individual jokes are singled out for comprehensive study, *Life is Like a Glass of Tea* devotes a chapter to each of eight major jokes, tracing its history and variants—and looking closely at the ways in which the comic behavior enacted in the punchline can be interpreted. One of the unique properties of classic Jewish jokes is their openness to radically different interpretive options (having nothing to do with wordplay or double entendre). This openness to alternate interpretations—never before discussed in the literature on Jewish humor—gives classic Jewish jokes their special flavor, as they leave us wondering which of several possible attitudes we are expected to hold toward the comic figure. An additional chapter is devoted to the ways in which Jewish jokes tend to evolve over time and across language and cultural barriers. Throughout the book, in fact, one can see the processes that Jewish jokes undergo over decades as their comic potential is unfolded in successive stages, and when they are transplanted from European to American soil. Now in its Second Edition, this expanded version adds two new chapters and new introductory material. It includes a 2015 Foreword by Marc Galanter, who notes that the author “is concerned not only with what makes jokes funny but with what makes some of them profound. His imaginative response to this puzzle makes this little book a distinctive and engaging contribution to the literature on Jewish jokes and on jokes generally.” It will appeal to the general reader, as well as to readers especially interested in Jewish culture, the psychology of humor, religion, ethnography, and folklore. “Richard Raskin’s book on Jewish humor was the

most original and useful I found in years of research on the topic. I'm delighted to see it back in print—and with added chapters!" – Ruth Wisse Professor Emerita, Yiddish and Comparative Literature, Harvard University Author, *No Joke: Making Jewish Humor* (2013) "A fascinating book that explores the richness of Jewish humor. Raskin offers a thought-provoking analysis of what makes Jewish humor special. Raskin merges an understanding of Jewish culture, fresh psychological insights, and a sophisticated reading of jokes and their evolution to create a gem of a book. However, it is not just an outstanding book on Jewish humor. It is an outstanding book on humor. Period. After reading it, you won't laugh the same way again." – Dov Cohen Professor, Department of Psychology, University of Illinois Co-editor, *Handbook of Cultural Psychology* (2007)

This unique encyclopedia chronicles American Jewish popular culture, past and present in music, art, food, religion, literature, and more. Over 150 entries, written by scholars in the field, highlight topics ranging from animation and comics to Hollywood and pop psychology. Without the profound contributions of American Jews, the popular culture we know today would not exist. Where would music be without the music of Bob Dylan and Barbra Streisand, humor without Judd Apatow and Jerry Seinfeld, film without Steven Spielberg, literature without Phillip Roth, Broadway without Rodgers and Hammerstein? These are just a few of the artists who broke new ground and changed the face of American popular culture forever. This unique encyclopedia chronicles American Jewish popular culture, past and present in music, art, food, religion, literature, and more. Over 150 entries, written by scholars in the field, highlight topics ranging from animation and comics to Hollywood and pop psychology. Up-to-date coverage and extensive attention to political and social contexts make this encyclopedia is an excellent resource for high school and college students interested in the full range of Jewish popular culture in the United States. Academic and public libraries will also treasure this work as an incomparable guide to our nation's heritage. Illustrations complement the text throughout, and many entries cite works for further reading. The volume closes with a selected, general bibliography of print and electronic sources to encourage further research.

Harvey Sheldon's *History of Jewish Comedy* of Jewish contributions to American comedy. Complete biographies of Jewish comedians. Comprehensive one stop documented history of Jewish comedy.

A comprehensive, A-to-Z guide to Jewish foods, recipes, and culinary traditions—from an author who is both a rabbi and a James Beard Award winner. Food is more than just sustenance. It's a reflection of a community's history, culture, and values. From India to Israel to the United States and everywhere in between, Jewish food appears in many different forms and variations, but all related in its fulfillment

of kosher laws, Jewish rituals, and holiday traditions. The Encyclopedia of Jewish Food explores unique cultural culinary traditions as well as those that unite the Jewish people. Alphabetical entries—from Afikomen and Almond to Yom Kippur and Za'atar—cover ingredients, dishes, holidays, and food traditions that are significant to Jewish communities around the world. This easy-to-use reference includes more than 650 entries, 300 recipes, plus illustrations and maps throughout. Both a comprehensive resource and fascinating reading, this book is perfect for Jewish cooks, food enthusiasts, historians, and anyone interested in Jewish history or food. It also serves as a treasure trove of trivia—for example, the Pilgrims learned how to make baked beans from Sephardim in Holland. From the author of such celebrated cookbooks as *Olive Trees and Honey*, the Encyclopedia of Jewish Food is an informative, eye-opening, and delicious guide to the culinary heart and soul of the Jewish people.
