The Endymion Omnibus (Hyperion Cantos, #3-4) by Dan Simmons

The Hyperion Cantos is a series of science fiction novels by Dan Simmons. The title was originally used for the collection of the first pair of books in the series, Hyperion and The Fall of Hyperion, and later came to refer to the overall storyline, including Endymion, The Rise of Endymion, and a number of short stories. More narrowly, inside the fictional storyline, after the first volume, the ...

The multiple-award-winning science fiction master returns to the universe that is his greatest triumph--the world of Hyperion and The Fall of Hyperion --with a novel even more magnificent than its predecessors. Dan Simmons's Hyperion was an immediate sensation on its first publication in 1989. This staggering multifaceted tale of the far future heralded the conquest of the science fiction field by a man who had already won the World Fantasy Award for his first novel (Song of Kali) and had also published one of the most well-received horror novels in the field, Carrion Comfort. Hyperion went on to win the Hugo Award as Best Novel, and it and its companion volume, The

Simon Fall of Hyperion, took their rightful places in the science fiction pantheon of new classics. Now, six years later, Simmons returns to this richly imagined world of technological achievement, excitement, wonder and fear. Endymion is a story about love and memory, triumph and terror--an instant candidate for the field's highest honors.

The magnificent conclusion to one of the greatest science fiction sagas of our time The time of reckoning has arrived. As a final genocidal Crusade threatens to enslave humanity forever, a new messiah has come of age. She is Aenea and she has undergone a strange apprenticeship to those known as the Others. Now her protector, Raul Endymion, one-time shepherd and convicted murderer, must help her

deliver her startling message to her growing army of disciples. But first they must embark on a final spectacular mission to discover the underlying meaning of the universe itself. They have been followed on their journey by the mysterious Shrike--monster, angel, killing machine--who is about to reveal the long-held secret of its origin and purpose. And on the planet of Hyperion, where the story first began, the final revelation will be delivered--an apocalyptic message that unlocks the secrets of existence and the fate of humankind in the galaxy.

Eight centuries from now-- long after the Big Mistake and the death of Old Earth-- humanity is again on the brink of war. Galactic war this time.

Hailed as “one of the finest achievements of modern science fiction” by The New York Times Book Review, The Hyperion Cantos is a triumphant odyssey into the heart of space and time. Through four riveting novels, Dan Simmons masterfully weaves such influences as classical mythology, romantic poetry, and far-future philosophy into an ambitiously conceived and unfailingly entertaining epic. Now, for the first time, this entire masterpiece of the imagination is available in one extraordinary eBook bundle: HYPERION THE FALL OF HYPERION ENDYMION THE RISE OF ENDYMION On the planet Hyperion, beyond the reach of galactic law, waits a creature called the Shrike.
