## Event Message | Enterprise Integration Patterns: And Message . . .

In software engineering, a software design pattern is a general, reusable solution to a commonly

# Download Free Enterprise

occurring  
problem within a  
given context in  
software

design. It is not  
a finished  
design that can  
be transformed  
directly into

source or  
machine

code. Rather, it  
is a description  
or template for

# Download Free Enterprise

Integration solve a  
problem that can  
be used in many  
different  
situations.
