These dialogues focus on asking for and giving directions. Practice these English dialogues that give directions to different locations in a city. Once you feel comfortable with the vocabulary, ask for directions in your city with a partner or a classmate.

ESL Conversation Dialogues Scripts 51-60 Volume 6: General English Expressions features some common phrases and sayings as well as difficult vocabulary thrown in to challenge the student. These dialogues are a little bit longer than in previous volumes so, if your class is short, you may wish to break the dialogue up into sections. While intermediate level and above is recommended, these dialogues can also be used to challenge beginners into improving their reading and pronunciation skills. This series of dialogues and conversations has been released to fulfill a demand in the ESL industry for more mature style conversations for use in private tuition as well as pair or group work in the adult classroom. These have been reformatted for use on a Kindle so that ESL Kindle users can practice reading the dialogues out loud and discuss the language used with their tutor or with each other. These eBooks contain just dialogues. It is up to the tutor to create their own lessons around these dialogues. Some suggestions include: a) Library lend the file to other Kindle users and create a play in the classroom b) Create listening test questions and use the text-to-speech function on Kindle c) Create a discussion about some of the phrases used For ESL tutors, the ideas are endless. As a tutor I've always found dialogues to be useful in vocabulary acquisition, pronunciation practice, confidence building, and more besides. Students regularly comment on how useful the dialogues are and always request more, which is why there are more dialogues on the way.

ESL Conversation Dialogues Scripts 21-30 contains dialogues featuring Australian English expressions, with a number of common expressions thrown in to challenge the student. While intermediate level and above is recommended, these dialogues can also be used to challenge beginners into improving their reading and pronunciation skills. The 10 dialogues in volume 3 feature over 200 Aussie English expressions which can give students planning to go to Australia, or those who have recently arrived, a quick crash course on common Aussie Lingo. This volume also features a bonus glossary with a brief explanation of what the Australian English words, phrases and idioms mean. Normally a glossary is not included as most native English speakers from Australia would know the meanings of the expressions used in the dialogues in the series, and would be able to explain them to students, but in an effort to help people to understand Australian English, even those native English speaking tutors and teachers who are not Australian would be able to quickly understand these dialogues and be able to teach them to others, with help from the glossary. These dialogues have been tested in private tuition lessons hundreds of times and have received great feedback from students new to Australia who are struggling to understand Australians. It is recommended that tutors add to the enjoyment of the lesson by using a strong Australian accent when reading their part of the dialogue. This series of dialogues and conversations has been released to fulfil a demand in the ESL industry for more mature style conversations for use in private tuition as well as pair or group work in the adult classroom. A good story can easily be ruined by bad dialogue. Now in its 4th edition, Rib Davis's bestselling Writing Dialogue for Scripts provides expert insight into how dialogue works, what to look out for in everyday speech and how to use dialogue effectively in scripts. Examining practical examples from film, TV, theatre and radio, this book will help aspiring and professional writers alike perfect their skills. The 4th edition of Writing Dialogue for Scripts includes: a look at recent films, such as American Hustle and Blue Jasmine; TV shows such as Mad Men and Peaky Blinders; and the award winning play, Ruined. Extended material on use of narration within scripts (for example in Peep Show) and dialogue in verbatim scripts (Alecky Blythe's London Road) also features.

The first volume to focus on the communicative aspects of English manuscripts from the fourteenth to the nineteenth century. It demonstrates how these handwritten texts can be used to analyse the history of language as communication between individuals and groups, and discusses the challenges these documents present to present-day scholars.
