Where To Download

“how,” especially in an introductory course. Three basic themes emerge as their central focus:

1. An emphasis on intuition – separate and explain the principles at work on a common sense, intuitive level before launching into specifics.

Underlying ideas

Where To Download

are discussed first in general terms, then followed by specific examples that illustrate in more concrete terms how a financial manager might proceed in a given situation. 2. A unified valuation approach – Net Present Value is treated as the basic

concept underlying
corporate finance.
Every subject the
authors cover is
firmly rooted in
valuation, and care
is taken to explain
how decisions have
valuation effects. 3.
A managerial
focus – Students
learn that financial
management
