Marketing's pillar "Four Ps" framework was first introduced by Jerome McCarthy in the 1960s. Its managerial orientation and practical "How-To-Do-It" strategy planning approach continues wit this newest 15th edition of Essentials of Marketing: A Marketing Strategy Planning Approach. Essentials of Marketing prepares students for success by teaching skills through examples, explanations, frameworks, models, classification systems, cases, and practical " how-to " techniques geared toward increasing analytical abilities and helping students figure out how to do a superior job of satisfying customers. Special topics like relationship marketing, international marketing, services marketing, marketing and the Internet, marketing for nonprofit organizations, ethics, social issues, and business-to-business marketing are integrated throughout. Additional resources further enhance learning, including new Marketing Analytics: Data to Knowledge exercises in Connect, an updated Hillside Veterinary Clinic marketing plan, and completely updated instructor supplements. Perreault/Cannon's Essentials of Marketing is available through McGraw-Hill Connect®, a subscription-based learning service accessible online through personal computer or tablet. A subscription to Connect includes the following: • SmartBook® - an adaptive digital version of the course textbook that personalizes the reading experience based on how well students are learning the content. • Access to homework assignments, quizzes, syllabus, notes, reminders, and other important files for the course.
