This new addition!! The lack or deficiency of certain elements, such as vital organic minerals and salts from our customary diet is the primary cause of nearly every sickness and disease. How can we most readily furnish our body with the elements needed? It is hoped

Online Library Estratti E Succhi Slow 1

that this delightful book will prove to be of considerable help to those who wish to derive the utmost benefit from natural food.

By now most of us are aware of

Online Library Estratti E Succhi Slow 1

the threats looming in the food world. The best-selling Fast Food Nation and other recent books have alerted us to such dangers as genetically modified organisms, food-borne diseases, and industrial farming. Now it is time for answers, and Slow Food Nation

Online Library Estratti E Succhi Slow 1

steps up to the challenge. Here the charismatic leader of the Slow Food movement, Carlo Petrini, outlines many different routes by which we may take back control of our food. The three central principles of the Slow Food plan are these: food must be

Online Library Estratti E Succhi Slow 1

sustainably produced in ways that are sensitive to the environment, those who produce the food must be fairly treated, and the food must be healthful and delicious. In his travels around the world as ambassador for Slow Food, Petrini has witnessed firsthand the many

ways that native peoples are feeding themselves without making use of the harmful methods of the industrial complex. He relates the wisdom to be gleaned from local cultures in such varied places as Mongolia, Chiapas, Sri Lanka, and Puglia. Amidst our crisis, it is

Online Library Estratti E Succhi Slow 1

critical that Americans look for insight from other cultures around the world and begin to build a new and better way of eating in our communities here.
