Ethics are moral principles or rules of conduct expected in the professional and personal conduct of someone practising a profession. To assist dental surgeons in ethical matters, the General Dental Council (GDC) regularly issues guidance booklets. In 2004, the GDC issued new guidance entitled "Standards for Dental Professionals" .

Dental ethics and law - The DDU

Although ethics and the law are closely related, they are not the same. Ethical obligations may—and often do—exceed legal duties. In resolving any ethical problem not explicitly covered by the ADA Code, dentists should consider the ethical principles, the patient's needs and interests, and any applicable laws.

ADA Principles of Ethics and Code of Professional Conduct

Ethics and Law In this Dentaljuce module on Healthcare Ethics and Law, we examine how we make health care decisions, and learn how to understand why other people may have opposite viewpoints from ours. We will see how to defend our own decisions using established ethical and legal arguments. Member Feedback on Healthcare Ethics and Law
