Episode 1 | The Brussels effect: How the European Union rules the world | 3 March European Union Sanctions And Foreign Restrictive measures, or sanctions, are one of the EU's tools to promote the objectives of the Common Foreign and Security Policy (CFSP). These include safe-guarding the EU's values, its fundamental interests and security; consolidating and supporting democracy, the rule of law, human rights and the principles of international law; preserving peace; preventing conflicts and strengthening international security.

European Union sanctions - European External Action Service
Restrictive measures (sanctions) are an essential tool in the EU 's common foreign and security policy (CFSP), through which the EU can intervene where necessary to prevent conflict or respond to emerging or current crises. In spite of their colloquial name 'sanctions' , EU restrictive measures are not punitive. They are intended to bring about a change in policy or activity by targeting non-EU countries, as well as entities and individuals, responsible for the malign behaviour at stake.

Restrictive measures (sanctions) | European Commission
North Korea: EU confirms autonomous sanctions for a year The Council today confirmed the list of individuals and entities subject to the EU's autonomous sanctions against the Democratic People's Republic of Korea (DPRK). As a consequence, the existing restrictive measures- travel ban and asset freeze- imposed on the listed persons and entities

Consolidated list of sanctions - European External Action Service
Sanctions are an important tool within the foreign policy of the European Union, which have until now remained obscure to both scholars and the general public. This book examines sanctions as a political tool of influence and evaluates the efficacy of sanctions imposed by the EU against third countries and their ability to bring about the desired outcome.

20/09/2020 - On September 12, I had a videoconference with my fellow foreign ministers of the Association of Southeast Asian Nations (ASEAN). The European Union shares many common views with this organisation. And in particular the will not to align with China or the US in the growing strategic rivalry between them.

Common Foreign and Security Policy (CFSP) - European ...
In its policy, the European Union intervenes when necessary to prevent conflict or in response to emerging or actual crises. In certain cases, EU intervention can take the form of restrictive measures or 'sanctions'. The application of financial sanctions and more precisely the freezing of assets constitutes an obligation for both the public and private sector.
