The world's bestselling introductory Latin course.

A special edition of the Library of Ancient Israel is based on the latest research to provide an in-depth presentation of the land in ancient times from its domestic life and cultural traditions to its religious practices, in a volume complemented by more than 175 illustrations and photographs.

Panorama, 4th Edition is an introductory Spanish program offering 15 contemporary, thematic lessons to introduce students to an extensive view of the Spanish-speaking world. Its fresh, student-friendly approach, effective integration of video, and powerful online tools lead students to effective personalized communication.

From celebrated translator of the Hebrew Bible Robert Alter, the classic study of the Bible as literature, a winner of the National Jewish Book Award. Renowned critic and translator Robert Alter's The Art of Biblical Narrative has radically expanded our view of the Bible by recasting it as a work of literary art deserving studied criticism. In this seminal work, Alter describes how the Hebrew Bible's many authors used innovative literary styles and devices such as parallelism, contrastive dialogue, and narrative tempo to tell one of the most revolutionary stories of all time: the revelation of a single God. In so doing, Alter shows, these writers reshaped not only history, but also the art of storytelling itself.
