Facilities Planning: Tompkins, James A., White, John A. ... Strategic facility planning facilitates the organization ' s strategy by optimizing facilities to satisfy the strategic relationships between the organization, products/services, and facilities. The strategic facility planning is a two-to-five year plan encompassing the entire portfolio of owned and/or leased space that sets strategic facility goals based on the organization ' s strategic objectives .

Facility Planning: Steps, Process, Objectives, Importance In order for FM providers to effectively address the needs of public sector organizations, it is imperative to move beyond Facility Management and engage in a degree of Strategic Facility Planning (SFP). SFP identifies the type, quantity and location of spaces required to fully support the organizations business initiatives and should be framed within the organization ' s vision.
