History a single mom on an Indian reservation' . . . Evison, as in his previous four novels, has a light touch and humorously guides the reader, this time through the minefield that is working-class America."

--The New York Times Book Review For Mike Muñoz, life has been a whole lot of waiting for something to happen. Not too many years out of high school and still doing menial work--and just fired from his latest gig as a lawn boy on a landscaping crew--he's smart enough to know that he's got to be the one to shake things up if he's ever going to change his life. But how? He's not

qualified for much of anything. He has no particular talents, although he is stellar at handling a lawn mower and wielding clipping shears. But now that career seems to be behind him. So what's next for Mike Muñoz? In this funny, biting, touching, and ultimately inspiring novel, bestselling author Jonathan Evison takes the reader into the heart and mind of a young man determined to achieve the American dream of happiness and prosperity--who just so happens to find himself along the way.

The passage of time has

History brought with it vast alterations to the landscape of Northern Virginia and Fairfax County. Once a sleepy rural area dotted with a few small villages, it has changed into a bustling suburb that is now home to thousands of people. Throughout its history, Fairfax County has hosted presidents, been home to slave traders and been a strategic component in multiple campaigns during the Civil War. Remembering Fairfax County, Virginia by longtime local historian Karl Reiner is a collection of historical vignettes that captures not only the essence of the events and

History people who have shaped the history of Fairfax County, but also their impact on the Old Dominion. Reiner calls upon a breadth of materials, exploring much of the forgotten heritage in the county, to provide an accessible and balanced work that is both informative and entertaining. From the influence of presidents such as George Washington to forgotten battles during the Civil War, this collection chronicles the history of Fairfax County during some of the most influential periods in American history.

History
to a life of wealth and privilege as the youngest son of a Siberian industrial tycoon. With the coming of the Russian Revolution, his charmed life is swept away, and he is thrust into a world of poverty and oppression. Relying solely on his wits, his optimism, and luck, he makes his way to Germany, where he becomes a successful mining engineer, despite the privations of the German depression. But then, in a single day, his secure position is lost, and he becomes a hunted man. Follow his five-year flight from Nazi persecution through Holland, Belgium, and

Read Book Fairfax County In Virginia A Pictorial

History retain its historic and archaeological sites in the face of increasing developmental pressures during the past thirty-five years. It provides a thorough review of historical development in the county as well as practical guidance on how decisions were developed. Written by two distinguished historians, Ross and Nan Netherton, who were part of the process from the beginning, this study presents a perspective which only familiarity with its successes and failures can bestow. This book is both a historical survey and a "how-to" manual for government

preservationists.

Challenged by departmental red tape and a dearth of clues, British detective Peter Diamond must solve the murder of a down-on-her-luck soap opera actress, who was found floating face down in a reservoir. Reprint. 20,000 first printing.

The book presents a profile of Fairfax County, Virginia, in 1960, on the brink of change. It describe the cultural landscape of the past to help us understand and appreciate the present.

Read Book Fairfax County In Virginia A Pictorial

Replete with maps, aerial photos, and historical images, it portrays Fairfax County as it transitioned from a largely dairy farming economy to a community of post-World War II residential subdivisions, then to an Edge City. In 1960, There were only limited retail opportunities in the county--mostly neighborhood shopping centers, and restaurants could serve only beer and wine--no hard liquor. The Capital Beltway and Dulles Airport were under construction but not yet open. Tysons Corner was only a figment in the imagination of a few investors, and
