Family Law In Nigeria

Family law has not fully developed in Nigeria compared with some other jurisdictions. There are no sufficient legal provisions for areas such as surrogacy, pre-nuptial agreements and division of property. Case law has attempted to

Law in Nigeria

The primary requirement to get a divorce in Nigeria is that you must have been married for at least 2 years. Unless there are exceptional circumstances – for example, a refusal to agree the divorce would

Where To Download

impose hardship on one party – then you must have been married at least 2 years before you can divorce. In Nigeria there is only one ground for divorce: namely that your marriage has irretrievably broken down.
