Farm City: The Education of an Urban Farmer by Carpenter ...

Farm City The Education of an Urban Farmer There are people – in fact, the vast majority of Homo sapiens – who see and define their existence through the lens of what they do: Teachers, bus drivers, nurses, architects, accountants, and any number of professionals whose modus operandi is collectively understood and agreed upon. Then there are those who teeter along the edges of known and accepted ways of existence, their divine operating systems not quite programmed for vocational ...
