FAULT LINE is a difficult book to read. Debut author Christa Desir's prose is fine, and doesn't linger nastily over unpleasant details, but the few details there are hurt. Ani's story is powerful, painful, and - worst of all - realistic.

[Fault Line by Christa Desir - Goodreads](#)

Fault Line is about a relationship between a girlfriend (Ani) and a boyfriend (Ben) after Ani was raped at a party. It's not too often that an author is realistic about rape, C.Desir portrays rape in a very realistic way and what your life would be like is someone you loved had been raped.

date anyone he wants, but he only has eyes for the new girl – sarcastic free-spirit, Ani. Luckily for Ben, Ani wants him too. She's everything Ben could ever imagine. Everything he could ever want.

FAULT LINE - christadesir.com

Read Book Fault Line Christa Desir Fault Line is a little book (240 pages) about a big, awful subject: rape. It unflinchingly shows the devastating effects of rape, both on the victim and the victim's loved ones. In this case, the story is complicated by the fact that Ani, the victim, was intoxicated at a party and loudly announced that she

Fault Line Christa Desir

Fault Line is Christa Desir's debut novel, and it takes a hard topic head-on: sexual assault. Or maybe I should be clearer. Or maybe I should be clearer. This isn't necessarily a book about what happens to a girl after she's raped.

Fault Line by Christa Desir - STACKED

Fault Line is a brave novel, and I think author Christa Desir is both amazing and brave for writing it.

Review: Fault Line by Christa Desir | As Told By Rachel

Desir really nails the rape exam emergency room experience. In Fault Line, there is a volunteer advocate who meets Ani in the emergency room and I have to say as someone who does this for a job and who trainings volunteer advocates, Desir's portrayal is dead on. I did see some reviews who said it came across as trying to teach a lesson or whatever, but as someone with experience, her advocate did exactly what advocates do in real life – which yes, involves providing information and ...

Fault Line . When Ani falls apart after a devastating assault, her boyfriend Ben is left to pick up the pieces. Bleed Like Me . For Brooks and Gannon, love is the most dangerous addiction of all. Other Broken Things .

MY BOOKS

Steph Sinclair reviews Christa Desir's gritty debut novel, *Fault Line*, an intense story that explores the effects rape has on victims and their loved ones.

Review: *Fault Line* by Christa Desir | Cuddlebuggery Book Blog

Title: *Fault Line* Author: Christa Desir Rating: 4 Stars For all that I live in a progressive, diverse community in the Northeast, this is still a town where nasty letters against the Gay Straight Alliance make the quarterly report and high school boys laugh at the thought that a girl wearing a short skirt isn't "asking for it."

Ivy Book Bindings: Review: *Fault Line* by Christa Desir

Quotes by Christa Desir "The same Andrew Smith is in all these books, but for me, I feel like you can see the point in his writing where he decided he no longer had anything to lose. That, to me, is when he reached the top of his game."

Christa Desir (Author of *Bleed Like Me*) - Goodreads

Fault Line by Christa Desir. Published by Simon Pulse. 3 out of 5 stars. Format: Egally (available in a variety of formats from 15 Oct 2013) *Fault Line* was a book I read a little while ago, but until now I've not been able to review it.
