The Banana Wars were occupations, police actions, and interventions on the part of the United States in Central America and the Caribbean between the end of the Spanish–American War in 1898 and the inception of the Good Neighbor Policy in 1934. These military interventions were most often carried out by the United States Marine Corps, which developed a manual, The Strategy and Tactics of Small Wars based on its experiences. On occasion, the Navy provided gunfire support and Army troops ...

Banana Wars - Wikipedia

Butler had fought in the so-called Banana Wars of the early 20th century, when the American military sent their troops south into Central America to keep their business interests there intact. It was a time when mistreated workers across Central America were getting fed up with working long hours in harsh conditions for less than a living wage.
