In the financial field another problem is that of declaring surpluses. From surplus we mean the resources available as surplus, after deducting working expenses, normal replacements, interest payments and dividends. But again in the public sector undertakings it has not been found possible to devise a policy of declaring surpluses.

To overcome financial problems and solve your difficulties for good, you need to determine what your priorities are. Some might be clear-cut financial priorities, e.g. to pay off your credit cards. Others might be lifestyle-goals, based on your values, e.g. save up for house repairs so that your family has a nice place to call home.
