~~If you learn how to read and can relate those notes to the fingerboard it really helps. When you learn to read, you can learn any song, note for note, the way the composers intended it. The way I learned was that somebody gave me a Fakebook of Christmas music. I knew all of the songs so I went through the book and worked out the songs.~~

Excellent roots blues tuition from Steve James in this book. I was already familiar with the author from his "roots and blues fingerstyle guitar" book. I would recommend the Fingerstyle Blues Songbook as an excellent companion to this previous title and as an essential resource for anyone interested in old time blues and how to play it.
