First Date —Broadway | Tickets | Broadway | Broadway.com

Synopsis. What does a person expect out of a blind date? The 2012 musical First Date takes the audience through the first meeting of Casey and Aaron, two 30-ish New York City singles set up by friends and family. The two have nothing in common: Aaron is a conservative banker, Jewish, and looking for a meaningful relationship, while Casey is an artist, a shiksa, and a little too funky for Wall Street.

First Date (Musical) Plot & Characters | StageAgent

First Date explores the most dangerous human endeavor in existence - the dreaded blind date. Story: When tightly wound Aaron is set up with cool girl Casey, a quick drink turns into a hilarious dinner served with sides of Google background checks, fake emergency phone calls, a slew of bad boy and uptown girl exes, and some seriously saucy chemistry.

First Date Review - Broadway musical
Who doesn't love a blind date? Of course, by this I mean, who does? I had one the other day, with the new Broadway musical "First Date." I'd heard little about the show, and its authors were entirely unknown to me. Didn't go so well. Does any of the following sound familiar?

First Date Broadway Script

(Vocal Selections). When blind date newbie Aaron is set up with serial-dater Casey, a casual drink at a busy New York restaurant turns into a hilarious high-stakes dinner. As the date unfolds in real time, the couple quickly finds that they are not alone on this unpredictable evening. In a delightful and unexpected twist, Casey and Aaron's inner critics take on a life of their own when other restaurant patrons transform into supportive best friends, manipulative exes and protective parents, who sing and dance them through ice-breakers, appetizers and potential conversational land mines. Can this couple turn what could be a dating disaster into something special before the check arrives? Our vocal selections collection includes 10 songs arranged for voice with piano accompaniment: First Impressions * I'd Order Love * The One * Safer * Something That Will Last * The Things I Never Said * and more.

"A seamless pairing of March of the Falsettos and Falsettoland, acclaimed off Broadway musicals written nearly a decade apart. It is the jaunty tale of Marvin who leaves his wife and young son to live with another man. His ex wife marries his psychiatrist, and Marvin ends up alone. Two years later, Marvin is reunited with his lover on the eve of his son's bar mitzvah, just as AIDS is beginning its insidious spread"---Publisher.

This volume contains detailed information about every musical that opened on Broadway from 2010 through the end of 2019. This book discusses the decade's major successes, notorious failures, and musicals that closed during their pre-Broadway tryouts. In addition to including every hit and flop that debuted during the decade, this book highlights revivals and personal-appearance revues.

Did you know that the idea behind the Radio City Music Hall Rockettes was first tried out in Toronto? That Canada produced the world's longest-running annual revue? Few people realize the Canadian influences that are at the heart of American and British culture. Author Mel Atkey's research for Broadway North included interviews with Norman and Elaine Campbell and Don Harron, creators of Anne of Green Gables-The Musical; Mavor Moore, founder of the Charlottetown Festival and of Spring Thaw; John Gray, author of Billy Bishop Goes to War; Ray Jessel and Marian Grudeff, Spring Thaw writers who had success on Broadway with Baker Street; Dolores Claman, composer of the Hockey Night In Canada theme, who also wrote the musicals Mr. Scrooge and Timber!; and Galt MacDermot, the composer of Hair who started out writing songs for the McGill University revue My Fur Lady. Included is the phenomenal success of The Drowsy Chaperone. Atkey also draws on his own experience as a writer and composer of musicals, and tells the story of why a show that should have starred James Doohan (Star Trek's Scotty) didn't happen. Composer, lyricist and author, Mel Atkey is currently based in the U.K. Proud of his Canadian cultural roots, he has long been fascinated with the notion of a distinctive Canadian musical theatre.

(Applause Libretto Library). Finally, an authorized libretto to this modern day classic! Rent won the 1996 Pulitzer Prize for Drama, as well as four Tony Awards, including Best Musical, Best Book, and Best Score for Jonathan Larson. The story of Mark, Roger, Maureen, Tom Collins, Angel, Mimi, JoAnne, and their friends on the Lower East Side of New York City will live on, along with the affirmation that there is "no day but today." Includes 16 color photographs of productions of Rent from around the world, plus an introduction ("Rent Is Real") by Victoria Leacock Hoffman.

Alan Jay Lerner wrote the lyrics for some of the most beloved musicals in Broadway and Hollywood history. Most notably, with composer Frederick Loewe he created enduring hits such as My Fair Lady, Gigi, Camelot, and Brigadoon. In The Complete Lyrics of Alan Jay Lerner, editors and annotators Dominic McHugh and Amy Asch bring all of Lerner's lyrics together for the first time, including numerous draft or alternate versions and songs cut from the shows. Compiled from dozens of archival collections, this invaluable resource and authoritative reference includes both Lerner's classic works and numerous discoveries, including his unproduced MGM movie Huckleberry Finn, selections from his college musicals, and lyrics from three different versions of Paint Your Wagon. This collection also includes extensive material from Lerner's two most ambitious musicals: Love Life, to music by Kurt Weill, and 1600 Pennsylvania Avenue, which Lerner wrote with Leonard Bernstein.

Despite an often unfair reputation as being less popular, less successful, or less refined than their bona-fide Broadway counterparts, Off Broadway musicals deserve their share of critical acclaim and study. A number of shows originally staged Off Broadway have gone on to their own successful Broadway runs, from the ever-popular A Chorus Line and Rent to more off-beat productions like Avenue Q and Little Shop of Horrors. And while it remains to be seen if other popular Off Broadway shows like Stomp, Blue Man Group, and Altar Boyz will make it to the larger Broadway theaters, their Off Broadway runs have been enormously successful in their own right. This book discusses more than 1,800 Off Broadway, Off Off Broadway, showcase, and workshop musical productions. It includes detailed descriptions of Off Broadway musicals that closed in previews or in rehearsal, selected musicals that opened in Brooklyn and in New Jersey, and American operas that opened in New York, along with general overviews of Off Broadway institutions such as the Light Opera of Manhattan. The typical entry includes the name of the host theater or theaters; the opening date and number of performances; the production's cast and creative team; a list of songs; a brief plot synopsis; and general comments and reviews from the New York critics. Besides the individual entries, the book also includes a preface, a bibliography, and 21 appendices including a discography, filmography, a list of published scripts, and lists of musicals categorized by topic and composer.

VoIs. for 1957-61 include an additional (mid-January) no. called Directory issue, 1st-5th ed. The 6th ed. was published as the Dec. 1961 issue.

For Broadway audiences of the 1980s, the decade was perhaps most notable for the so-called "British invasion." While concept musicals such as Nine and Stephen Sondheim's Sunday in the Park with George continued to be produced, several London hits came to New York. In addition to shows like Chess, Me and My Girl, and Les Miserables, the decade's most successful composer Andrew Lloyd Webber was also well represented by Cats, The Phantom of the Opera, Song & Dance, and Starlight Express. There were also many revivals (such as Show Boat and Gypsy), surprise hits (The Pirates of Penzance), huge hits (42nd Street), and notorious flops (Into the Light, Carrie, and Annie 2: Miss Hannigan's Revenge). In The Complete Book of 1980s Broadway Musicals, Dan Dietz examines in detail every musical that opened on Broadway during the 1980s. In addition to including every hit and flop that debuted during the decade, this book highlights revivals and personal-appearance revues with such performers as Sid Caesar, Barry Manilow, Jackie Mason, and Shirley MacLaine. Each entry includes the following information Opening and closing dates Plot summaries Cast members Number of performances Names of all important personnel including writers, composers, directors, choreographers, producers, and musical directors Musical numbers and the names of performers who introduced the songs Production data, including information about tryouts Source material Critical commentary Tony awards and nominations Details about London and other foreign productions Besides separate entries for each production, the book offers numerous appendixes, including a discography, filmography, and published scripts, as well as lists of Gilbert and Sullivan operettas, black-themed shows, and Jewish-themed productions. A treasure trove of information, The Complete Book of 1980s Broadway Musicals provides readers with a comprehensive view of each show. This significant resource will be of use to scholars, historians, and casual fans of one of the greatest decades in musical theatre history.

In the early days of television, many of its actors, writers, producers and directors came from radio. This crossover endowed the American Radio Archives with a treasure trove of television documents. The collected scripts span more than 40 years of American television history, from live broadcasts of the 1940s to the late 1980s. They also cover the entire spectrum of television entertainment programming, including comedies,

soap operas, dramas, westerns, and crime series. The archives cover nearly 1,200 programs represented by more than 6,000 individual scripts. Includes an index of personal names, program and episode titles and production companies, as well as a glossary of industry terms.
