Five Days in London, May 1940 | Yale University Press

This book is about those five tense days in 1940 – May 24th to May 28th – in which Britain's efforts to not lose the war were debated and decided upon. Short, but written with verve and penetrating insight, Lukacs details a nearly hour-by-hour retelling of the harrowing As author John Lukacs states, World War II was won not by Great Britain, but by America and Russia.

Five Days in London, May 1940 by John Lukacs

Things were not going at all well for Britain, and Churchill and his War Cabinet had some tough decisions to make. Lukacs, a history professor and prolific author (The Hitler of History) examines the dynamics of the five days, May 24-28, 1940, when Churchill and his War Cabinet actually debated whether to negotiate peace with Hitler.
