My school actually has an Honors Chemistry prerequisite for AP Biology, but I'm aware this is different elsewhere. Also, I would definitely take Chemistry 1 Honors over APHG. Even though it is an AP course, I would venture to guess that AP Human Geography is actually less impressive than taking one of each of the three main sciences, preferably at the Honors level or better.

You may not know this, but Yahoo Answers is the same as cheating. If you are requesting answers or help from someone else, then it is NOT your own work anymore, and more importantly, you haven't learned anything. Academic Integrity issues, such as cheating, are not handled lightly at FLVS. Using work from another source is compromising integrity.
