Indianapolis, Indiana, (GLOBE NEWSWIRE) -- Arlington, Virginia, has been named "America's Fittest City" in the annual American Fitness Index (R) rankings published by the American College of Sports ...

These four splendid anthems were composed for the coronation of George II in October 1727 and have since retained a position at the heart of the English choral tradition. The popular anthem Zadok the priest has been performed at all subsequent coronations, and Handel's other contributions to the royal occasion - Let thy hand be strengthened, The King shall rejoice, and My heart is inditing - have the same majestic grandeur, with affecting contrasts between different sections of the sacred texts. The editor, Clifford Bartlett, has corrected various inconsistencies in Handel's score, and complete details of sources and editorial method, additional performance notes, and a critical commentary can be viewed in the companion full score available on hire.

(Music Sales America). New edition by Donald Burrows, including the original 7-Part version of Zadok the Priest.

Written in 1727 to accompany the ceremony during which George II ascended the English throne, these anthems represent a true expression of Handel's genius. This four-part collection, painstakingly reproduced from the authoritative Breitkopf & Härtel edition, consists of "Zadok, the Priest"; "The King shall rejoice"; "My heart is inditing"; and the magnificent conclusion, "Let Thy hand be strengthened."
