One of the easiest ways I ' ve found for getting free images for my art journal is by asking my friends and family for their old magazines (as well as keeping my own, of course!) I know some people save their magazines, but most will just end up in the recycle bin. I find people are more than happy to share their old magazines when they know they are going to a good cause – like your ...

Art journaling does not have to be expensive or complicated. It ' s one of the most forgiving ways to make art because in an art journal, everything you make is safely contained within your own personal book. You may choose to never share any of your pages with anyone (or everyone!) so it ' s a space where you can let loose and explore with colors, shapes, lines, and your words all at once ...
