These are a must for all professional SketchUp users. This book is a highly valuable addition to the list of titles on the subject of Construction Documentation for SketchUp Pro both now and into the future, as it will be updated annually to reflect updates to SketchUp. To use this book you will need to download files from Here

~~SketchUp for Construction Documentation 2020 | SketchUcation~~

It ' s not even necessary to read it ' s manual or be familiar with special geometric concepts. You will only work with line and shapes, which gives you the freedom to arrange things how you want it. Well, how you want things to be arranged in 3D that is. SketchUp focuses on making things appear hand-drawn by using non-photorealistic rendering.
