November 15, 2020. While almost everyone is familiar with Baroque, the larger-than-life 17th Century style characterized by profuse gilding, massive plaster reliefs, and a brazen brandishing of bronze, Baroque's more mild-mannered and adaptable successor, Rococo, often gets overshadowed. Rococo is a bit more demure than Baroque (which equates to major points in the accessibility department when you're talking about gold-encrusted pediments and cherub-decked cornices), yet every bit as ...
