knows most about it. When he hears, straight from the horse's mouth, what a good worker you are, he'll increase your wages. Most of the book is completely true; it comes from the horse's mouth.

### **Straight from the horses mouth - Idioms by The Free Dictionary**

The notional 'from the horse's mouth' is supposed to indicate one step better than even that inner circle, that is, the horse itself. The phrase originated around the turn of the 20th century. The earliest printed version I can find of it is from the London newspaper Reynolds Newspaper, June 1896: "As the great British nation takes far more interest in horse racing than in politics, the exchange of rulers would be delightful, because, look you, we'd get all our tips straight from the horse's ...
